LEARNING

We live in a world of books. In books we find the best of man's thinking. From their pages we get learning, enjoyment, appreciation, and inspiration. Books open doors to new worlds.

Learning . . . in the reading lab.

SKILL Things that seemed impossible yesterday give us a feeling of accomplishment today, when we have acquired the skill to do them. Skill, practiced today, will lead to perfection tomorrow.

KNOWLEDGE

Study enables us to attain knowledge, unfolding the mysteries of the world. Knowledge conquers our fears, overrules our misconceptions, and gives us new ideas. With knowledge comes the power to move ahead.

Knowledge . . . found in our quiet book-lined library.

UNDERSTANDING

Today, as never before, we understand other people's thoughts and feelings. Through friends from other countries and A.F.S.* trips to other lands, we learn that people are much the same everywhere.

Understanding . . . gained by our four seniors through *American Field Service trips.

Knowledge gives us power

to make a better America;

Thinking of our desires, fears, and attempts to live in harmony with our neighbors and brothers, we strive for brotherhood of all men. Each of us should respect the other's rights to his ideas, opinions, and beliefs. Tolerance cannot grow in an atmosphere of prejudice.

Doorways to scholarship . . .

1,350 of us entered Elkhart High School this year, each of us with different ambitions, different desires. We worked toward these goals by doing our best in the courses of study we had chosen. In our studies in printing, literature, homemaking, or cadet teaching we were encouraged to really learn and to make the best grades of which we were capable.

*The doors are open
for sophomores.*

Sophomores, as beginners in high school, get a taste of many of the subjects that will take on greater significance later.

The practical aspects of mathematics are emphasized in math 10-G. This course gives a student a complete review of the principles of arithmetic, as well as introducing simple algebra and geometry. After the principles of math are understood, practical problems in the carpentering and building, power, metal, and electrical trades are worked.

Another math course for sophomores, geometry, introduces something very fundamental—the cause and result type of thinking. At first, a large amount of time is spent on formal proof involving the relationship and measurement of lines, angles, areas and congruent, equivalent, and similar figures. Geometry is the foundation of all professions depending upon measurement and form; such as, engineering, architecture, drafting, or contracting.

Learning by experience is the common practice in the biology classes. Transformation into the realm of the minute becomes an exciting personal experience through the facilities of the student's microscope. He is also able to grow and watch the controlled specimens of mold, bacteria, and fungus, which are kept in the lab's carefully-regulated incubators.

Budget problems are solved in consumer education. Facts about goods and services that are discovered in this course develop good taste and sound judgment in money budgeting, saving, investing, and buying.

Learning to budget and buy.

Mrs. Black making the characters in *Silas Marner* real.

An up-to-date method of learning French—using the tape recorder.

Another modern class—music appreciation—listening to classical records.

*The doors are open
for Sophomores.*

Languages, including English, play a role of importance in the life of a sophomore. Cultural subjects, such as these, point the way to informed adulthood.

One thing all sophomores have in common is English; everybody takes the same course, in cycles. Usually there are comments of surprise when English turns out to be not only English grammar, but divisions of speech, literature, and grammar, which students study alternately.

"Ici, on parle francais." Not only do students in French classes speak French, but they also learn the customs of the French, and gain a better understanding of people in other countries.

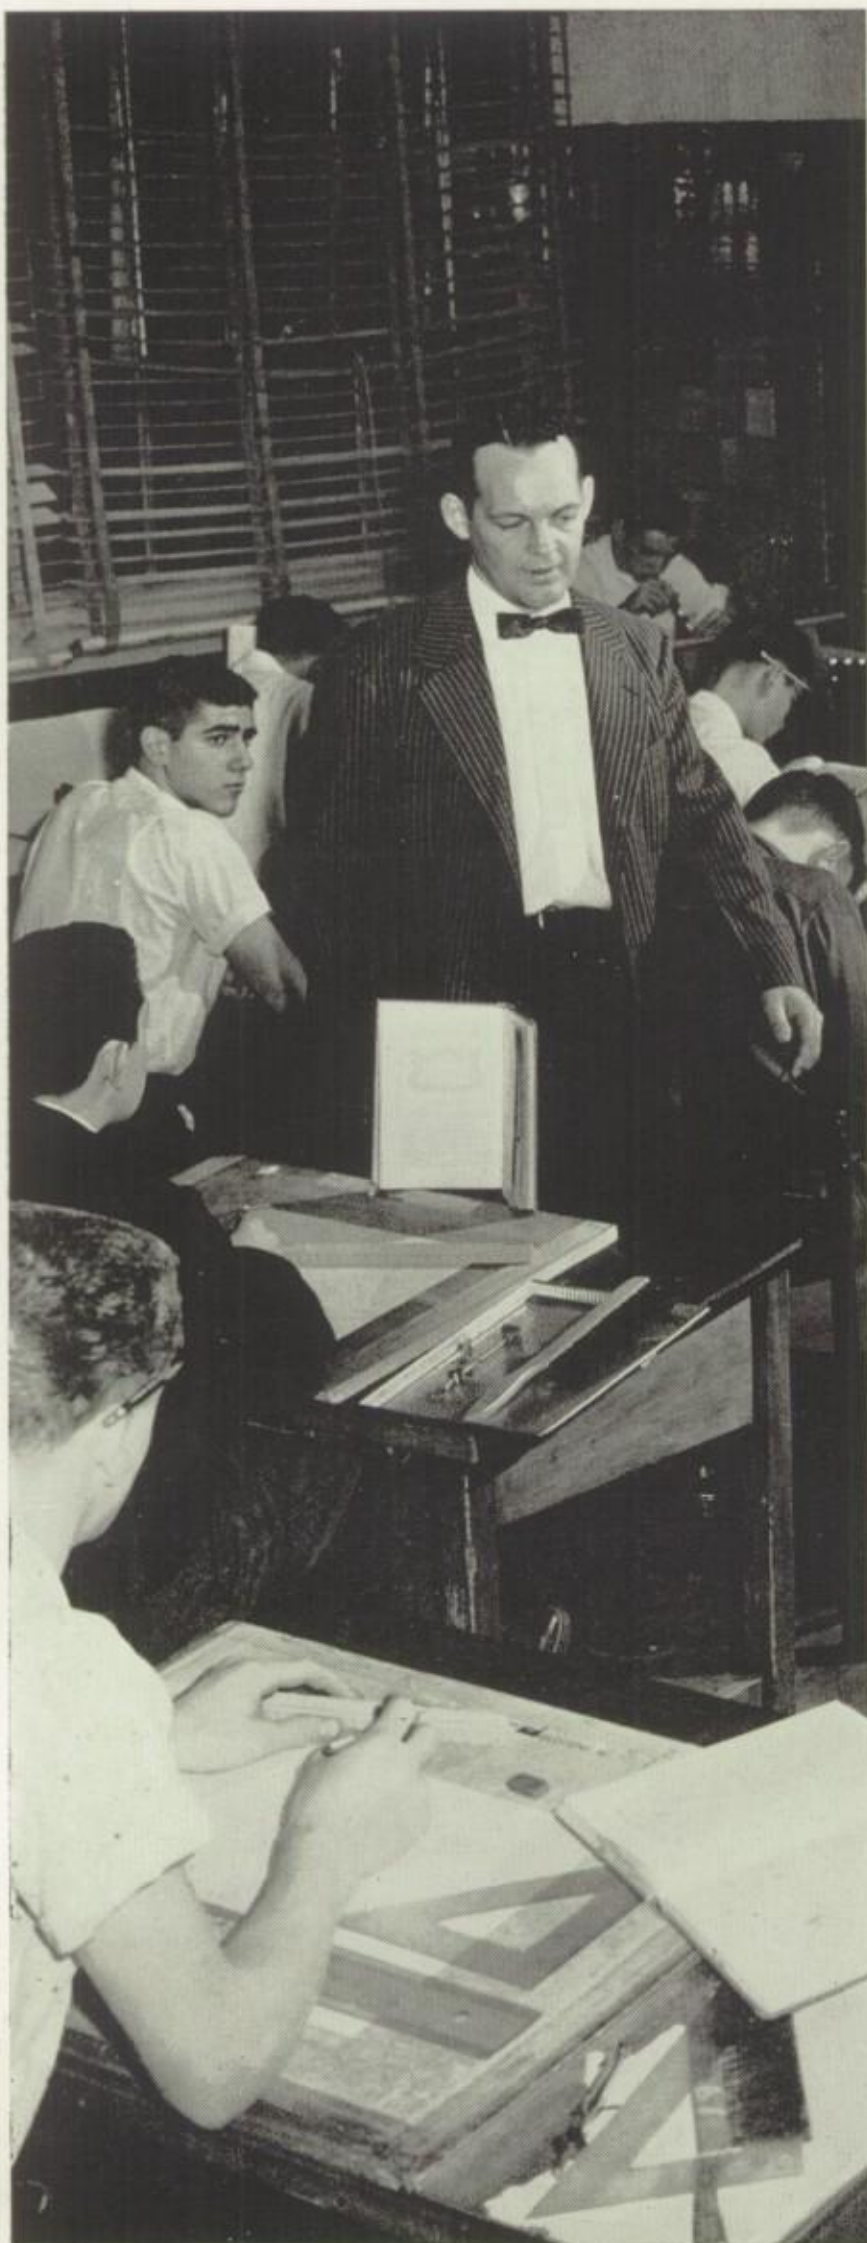

Music becomes more meaningful to students in music appreciation by studying the composers, by critical listening to records, and by demonstrations of different musical sounds and techniques.

Study of the ancient and modern cultures of the world helps students understand the culture of which they are a part. Our understanding of our own place in the world is based on our study of history. The trends history has taken in the past predict things to come.

Current events are also studied through the use of a weekly newspaper.

Mr. Mater—world history.

Learning a practical aspect of wiring.

*The doors are open
for Sophomores.*

Vocational training provides more pointed preparation for the jobs that are to come.

Future draftsmen get their starts in drawing 10. The students learn to read and write the graphic language of industry, to draw quickly and neatly, and to do lettering and freehand drawing.

All the wiring and labor costs for a small house are planned and worked out by students in electricity 10 after they have studied the main principles of wiring, voltage, current, and resistance.

While the sophomore boys are learning trades, sophomore girls learn the skills of homemaking. Planning and management of time are some of the problems that girls face while learning the simple techniques of sewing, or preparing and serving meals.

Gym classes, required of all sophomores, are made more enjoyable by the playing of games. Such games teach valuable lessons in coordination and cooperation which cannot be learned from books.

Elements like these make the sophomore of today the junior of tomorrow.

*The doors are open
for Juniors.*

Juniors, having spent one year at Elkhart High School, go in for more specialization in their basic courses of study.

An awareness of our American heritage comes from studying the history of the United States. Happenings in the United States contribute to and are involved in many other events in the world. Reading a weekly news magazine keeps us in touch with current affairs.

As citizens of the U.S. we carry the responsibility of learning about our next-door neighbors. Students taking second year Spanish learn the skills of self-expression in the language, and become acquainted with the cultures that are the background of Spanish-speaking people.

In 11th grade English, grammar, composition, and literature are offered, but specialized courses give each junior a chance to take the one which interests him most. Speech students can choose a course which stresses speech activities; the future secretaries take commercial English; journalism students take a special course in that field; drama students enroll in a special drama class, and those who do not have any special interests take the regular English classes.

Many juniors take typing along with their other subjects in preparation for college or a job.

Experimenting with the principle of leverage.

Mrs. Fox reading a problem.

Mrs. Johnson checking vision.

*The doors are open
for Juniors.*

Science-conscious juniors are found in physics, but physics is important to all of us. Opening a door, driving to school, reading a book with the help of correctional glasses—all these everyday experiences are based on scientific principles.

Math is essential to science as it is to many other subjects. Juniors who are taking algebra-geometry learn to examine critically and to state conclusions clearly as important objectives of the course.

In vocational printing the student chooses certain machines and operations upon which he wishes to specialize. Most of the forms and blanks used in school are made by these boys.

Students plan and carry out projects using hand and machine tools in woodwork 11. These may include simple upholstering, repairing, and refinishing.

Having mastered the fundamentals, the junior of today becomes the senior of tomorrow.

The doors are open for Seniors.

Seniors, realizing that this is their last year at Elkhart High School, settle down to serious study, finding this year's subjects require more work.

What are we made of? Chemistry provides the answer; its objective is to give over-all information regarding the composition of the world around us. Laboratory and classroom work in chemistry encourage the pupil to use the scientific approach and procedure in studying the composition, properties, and uses of numerous substances.

In a daily two-hour class future clerical workers learn certain skills for the duties performed by general clerical workers. Two practice sets must be completed by the student; one is a filing practice set used to give the student a working knowledge of the elements of filing. The second set consists of one hundred and ten different forms used in businesses today.

Trigonometry and a fourth semester of algebra are a valuable introduction to the math that will be studied in college. The solution of triangles, complex numbers, theory of equation, and calculus are all covered during the year. Through this study, we understand the problems confronting the builder, the engineer, and the architect.

C. Daub telling how to sell hosiery.

Harrell and McKee working on a motor.

Distributive education is a course in selling. The psychology of selling, and the practical knowledge of sales procedure is studied in the classroom. Then the student goes out on a job to put his learning into practice. A number of businessmen cooperate with the teacher, so that the grade given in the course is a combination of the classroom grade and the rating given by the merchant. Advertising, including window displays, is a part of the course study.

Vocational subjects directly prepare students for jobs.

Practical problems on real cars with text book study give boys in auto mechanics a good background as mechanics. In this more advanced course in auto mechanics, a pupil has a chance to work on his own car if he wishes. Some time is also devoted to acetylene welding.

The general objective of machine shop is to have every student become familiar with, and learn to operate, as efficiently as possible, every machine in the shop. The class meets three hours daily with one hour spent in related training and two hours spent in machine work.

Vocational drawing is a course designed for students expecting to enter industry. The work begins with very simple drawings of machine parts used in machine shops and progresses until a boy is able to draw some small machine, such as a jig saw or a drill press.

The greatest Book in the world is the text book in Bible classes. Both the Old Testament and New Testament are studied. In this study of the lives and customs of the Jews and the teachings and life of Jesus and his disciples, Bible stories are related to everyday life situations.

Creative feeling is expressed in art workshop. Aspects of design and study of many art media develop the individual pupil in the basic concepts of art.

Pencils, pens, typewriters, and minds of students in writing laboratory are continually busy. Practice drills on mechanics, and writing assignments in narration, exposition, description, and a source theme provide a good background in writing for anyone planning to go to college.

A semester of English alternated with writing lab presents a critical study of some of the best that has been written in England since 1750. The students interpret the philosophy of authors, learn to observe nature through the eyes of writers, and memorize some poetic selections which they consider outstanding.

Soon seniors will be voters; therefore they should know how to use government services and should understand our system of government. American problems gives them this basic knowledge.

Enrichment of our society and life comes from studying ancient languages and customs. One outcome of Latin is an increase of vocabulary gained through a study of word roots.

So with a job well done, the senior becomes the graduate.

Doorways to leadership . . .

Taking the lead, Leagues stand for active participation in all school affairs. Clubs and organizations gave us chances to show our leadership abilities or to be active followers in the activity of our choice. In these activities we had fun and learned much about getting along with others.

Activities open doors to fun and friendship through concerts, plays, social affairs

Activities . . . these are the really vital part of our school. Every day the P.A. announces meetings, programs, concerts, and parties . . . a rehearsal for the Saturnalia . . . special speaker at the next Speech Club meeting . . . tickets on sale for the "Last Class Blast" . . . Pennant subscriptions . . . play practice tonight on the stage . . . meeting of the Student Council sign committee.

Effective leadership in activities is stimulated in leadership training sessions held during homeroom time. Secretaries are taught how to keep minutes; presidents, how to conduct meetings; treasurers,

how to handle financial matter. All learn how to work with people, how to be responsible and dependable.

We all take part. Some of us are presidents; others, committee members who decorate, clean-up or who serve refreshments, arrange entertainment, wash dishes. We plan; we publicize coming events. We perform or write scripts. We listen attentively during guidance assemblies.

Our halls are alive with posters; someone's always selling tickets to some affair. There's a buzz of activity going on all the time at EHS.

LEAGUES UNITE TO SPONSOR

The Boy's League provides for each boy the feeling of belonging to at least one organization in high school. This organization tends to promote a closer unity among the boys of EHS.

The Advisory Council, which consists of five boys elected from each class, plans the dances, parties and League services. The Council also discusses the business meetings and programs.

Speakers for the boys' meetings included Bill Milliner, former basketball coach, and an ex-convict, Charles Lindsley. During Thanksgiving vacation, the League had a coke party for EHS boys who were home from college. A panel from Purdue presented a Brotherhood assembly in April. A Catholic, a Protestant, a Jew and a Negro were members of this Panel of Americans.

As services to the school and community, the League delivered Thanksgiving and Christmas baskets, collected clothing and worked on the Dime Line.

The Boys' and Girls' League worked together in sponsoring an all-school dance in February. Plans for the spring included an all-school picnic.

Mr. Dorrance Rogers is the sponsor of this League.

PROGRAMS, SPEAKERS, DANCES

All the girls in Elkhart High School belong to the Girls' League. The purposes of this organization are: to define and inspire strong character, to provide democratic means for the girls of EHS to express their ideas, and to encourage a greater number of girls to participate.

One of the most enjoyable assembly programs sponsored by the League for the girls of the school was the "hat woman," Mrs. Lloyd White, who gave a rollicking talk, full of sane philosophy.

The Advisory Council, the governing body of the League, is composed of ten elected girls from every class and the chairmen of the standing committees. Meetings are held once a month to decide on important issues. The Advisory Council held a pot-luck supper meeting on January 12.

The Girls' League sponsored several teas and coke parties for the girls to get acquainted and talk over school problems. The League also staged two assemblies, in co-operation with the Boys' League and sponsored an all-school dance and an all-school picnic in May.

Some of the service projects of the League this year were: collecting and distributing clothes and toys, sending sympathy and get-well cards and helping with the faculty teas. These projects were directed by Miss Shideler, sponsor.

At the end of the year a Vesper service was held.

STUDENT COUNCIL UNITES HIGH SCHOOL ACTIVITIES

The Student Council is represented by one student from each homeroom. The Council strives to bring about a better understanding between the pupils and the faculty. Through the Council the students can take an active part in managing our school and solving our school problems.

The Council organized several committees to take care of problems concerning the school: the Hall Traffic Committee, the Foreign Scholarship Committee and the Handbook Committee. These groups worked together all year.

This year each member of the Council had charge of a program one Wednesday each month in his homeroom. At this time he reported the activities of the Council and discussed a special topic chosen in Council discussions.

The Council members decided to enter a nation-wide contest for Student Councils. Each member of the Council wrote a summary of the homeroom programs. Members of the Foreign Scholarship Committee wrote reports on the committee's actions, the purpose of all this being to gain recognition.

The two teacher advisers of the Council were Mr. Updike and Mr. Kauffmann.

N.H.S. UPHOLDS STANDARDS

Scholarship, leadership, service, and character make up the qualifications for membership in the National Honor Society. The goals of this club, sponsored by Miss Busche and Miss Broughton, are to create enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership and to encourage the development of character.

The N. H. S. holds regular business meetings on the second and fourth Tuesdays of every month.

Some of the service projects for the year were: sending congratulatory cards to students making three A's and no grade lower than a B and to those who were neither absent nor tardy, introducing college night speakers, grading standardized tests, planning a brotherhood project and inducting new club members.

The money making project for this year was a Chicken-Pie Supper on February 20.

Initiation of new members in May closed the year's activities.

E. H. S. ORCHESTRA REACHES SYMPHONY STANDARD SIZE

The EHS Orchestra started its season by playing in the North Central Orchestra in South Bend on October 27, 1955.

The EHS Band played for all the home football games and presented a special show at Butler University during the football season. During the basketball season, a pep band consisting of 32 band members played for all the games.

On November 18 the orchestra and band presented their autumn concert. A special feature of this concert was "Musicarama." Musicarama combines music played by the orchestra or band with a background of appropriate colored slides and colored lights. For its "Musicarama" the orchestra played "Indian Summer" and the band played "Salute to the

Big Ten." Carolyn Temple and Larry Thompson were narrators.

In March the second concert of the orchestra and band again featured a "Musicarama." The orchestra performed the "Grand Canyon Suite" and the band, "The Pines of Rome." Playing to a full house, the musicians had the feeling that this was one of the best concerts in recent years.

This year, the band and orchestra won 128 first ratings at the State Music Contest in Indianapolis, setting a new record for EHS musicians.

The musical year ended for the EHS Orchestra and Band with the senior concert on May 25. The seniors were honored at this concert, many of them playing solos or ensemble numbers.

FOUR CHOIRS PLEASE AUDIENCES AND CIVIC GROUPS

The Elkhart High School Choir groups under the direction of William L. Gowdy had a very successful and active year which started with the opening of school. The Girls' Chorus, the Mixed Chorus, the Choir and the Girls' Choir which met first, second, third and seventh hours, respectively, started the year by electing officers.

Those elected were: Janice Steward, Virginia Hostetler, Sharon Artley, Vicky Kidder, Mike Donovan, Pat Strawser, Lynn Lauby, John Gildea, Marlene Griffith, Mike Hyde, Sharon Miller, Susan Bale, Linda Andresen and Phoebe Compton.

A group of singers from the Choir participated in the North Central Chorus which sang for the Teachers' Convention on October 27, with Dr. Harry Wilson directing.

Late in October the 261 members of the four choral groups began work on the annual Christmas Concert, December 9-10. The concerts featured the candlelight procession and the "human Christmas tree." This year all the members of the tree wore metallic costumes. Also featured were: "The Twelve Days of Christmas" and the finale with the combined choirs and EHS Orchestra.

Later in the Christmas season the Choir presented noon programs for the Rotary and Kiwanis Clubs on December 19 and 20, respectively. They also sang Christmas carols at the St. Joseph Valley Bank at noon during the week preceding Christmas. The Carol Sing and party on December 19 and the Christmas Broadcast on December 22 completed the events of 1955 for the EHS choirs.

The first events of 1956 were the vocal contests. Richard Schoenbohm from Valparaiso University judged the local contest on January 5. Those who received a first rating went to the district contest at Warsaw on January 28. Winners of first rating went on to the state contest on February 18 at Indianapolis. Two solos and two ensembles received first ratings at the state contest.

The Junior-Senior High School Choral Festival was held in the high school auditorium on February 21. Each group of the junior high schools and the four groups of the senior high school sang a number of its own. Then all the groups combined for several numbers.

On March 2 the Choir, as in past years, presented one number in the Winter Concert of the band and orchestra.

The Girls' Choir.

The Mixed Chorus

This year the Elkhart-Goshen-LaPorte-Michigan City Choral Festival was held in March in Goshen with George Krueger of Indiana University directing. The day, spent in rehearsals, was climaxed by an evening concert.

On Good Friday the Choir and the Girls' Choir took part in the Good Friday Service at the Elco Theater.

On April 20 the choir sang at the Griffith High School

in Griffith, Indiana, presenting one concert in the afternoon for the student body and another concert in the evening for the public.

On April 27 the Choir, Band and Orchestra were entertained at the annual Elk's Club party.

Final plans were made for the Spring Concerts which were given on May 3 and 4 in the high school auditorium.

SENIORS PUBLISH '56 YEARBOOK WITH DOORWAY THEME

Co-editors, Bob Deputy and Jan Martin.

The theme for our 1956 PENNANT ANNUAL is "Doorways to Tomorrow." This theme was developed last summer at Indiana University, where the co-editors attended classes to learn how to plan a yearbook. They made a rough dummy of the Annual from which we have developed our 1956 PENNANT ANNUAL. The yearbook is divided into five major sections: scholarship, leadership, sportsmanship, friendship and citizenship, each portraying a doorway to opportunity.

Our cover this year is actually an introduction to the theme, "Doorways to Tomorrow", since it has an engraving of the main door of EHS which bears the motto "Knowledge is Power." A rich blue in color, the cover design was especially made for the yearbook staff. Twelve hundred copies were printed, the second color being sepia.

Headed by Jan Martin and Bob Deputy, co-editors, the Pennant Annual staff consists of: Susan Ball, Liz Cullen, Jane Peterson and Jim Peterson, assistant editors; John Wiswell, business manager; Jon Leipold, assistant business manager; Sue Emmert, ad manager; Mike Hyde, assistant ad manager; Stan Blough, photographer; Dick Roth, art editor.

Various staffs and committees; such as, sales staff, ad staff, sports staff, senior committee, underclass committee, club committee, music and drama writers, worked on the yearbook. These staff members put in many extra hours, including Saturdays, but gave their time willingly.

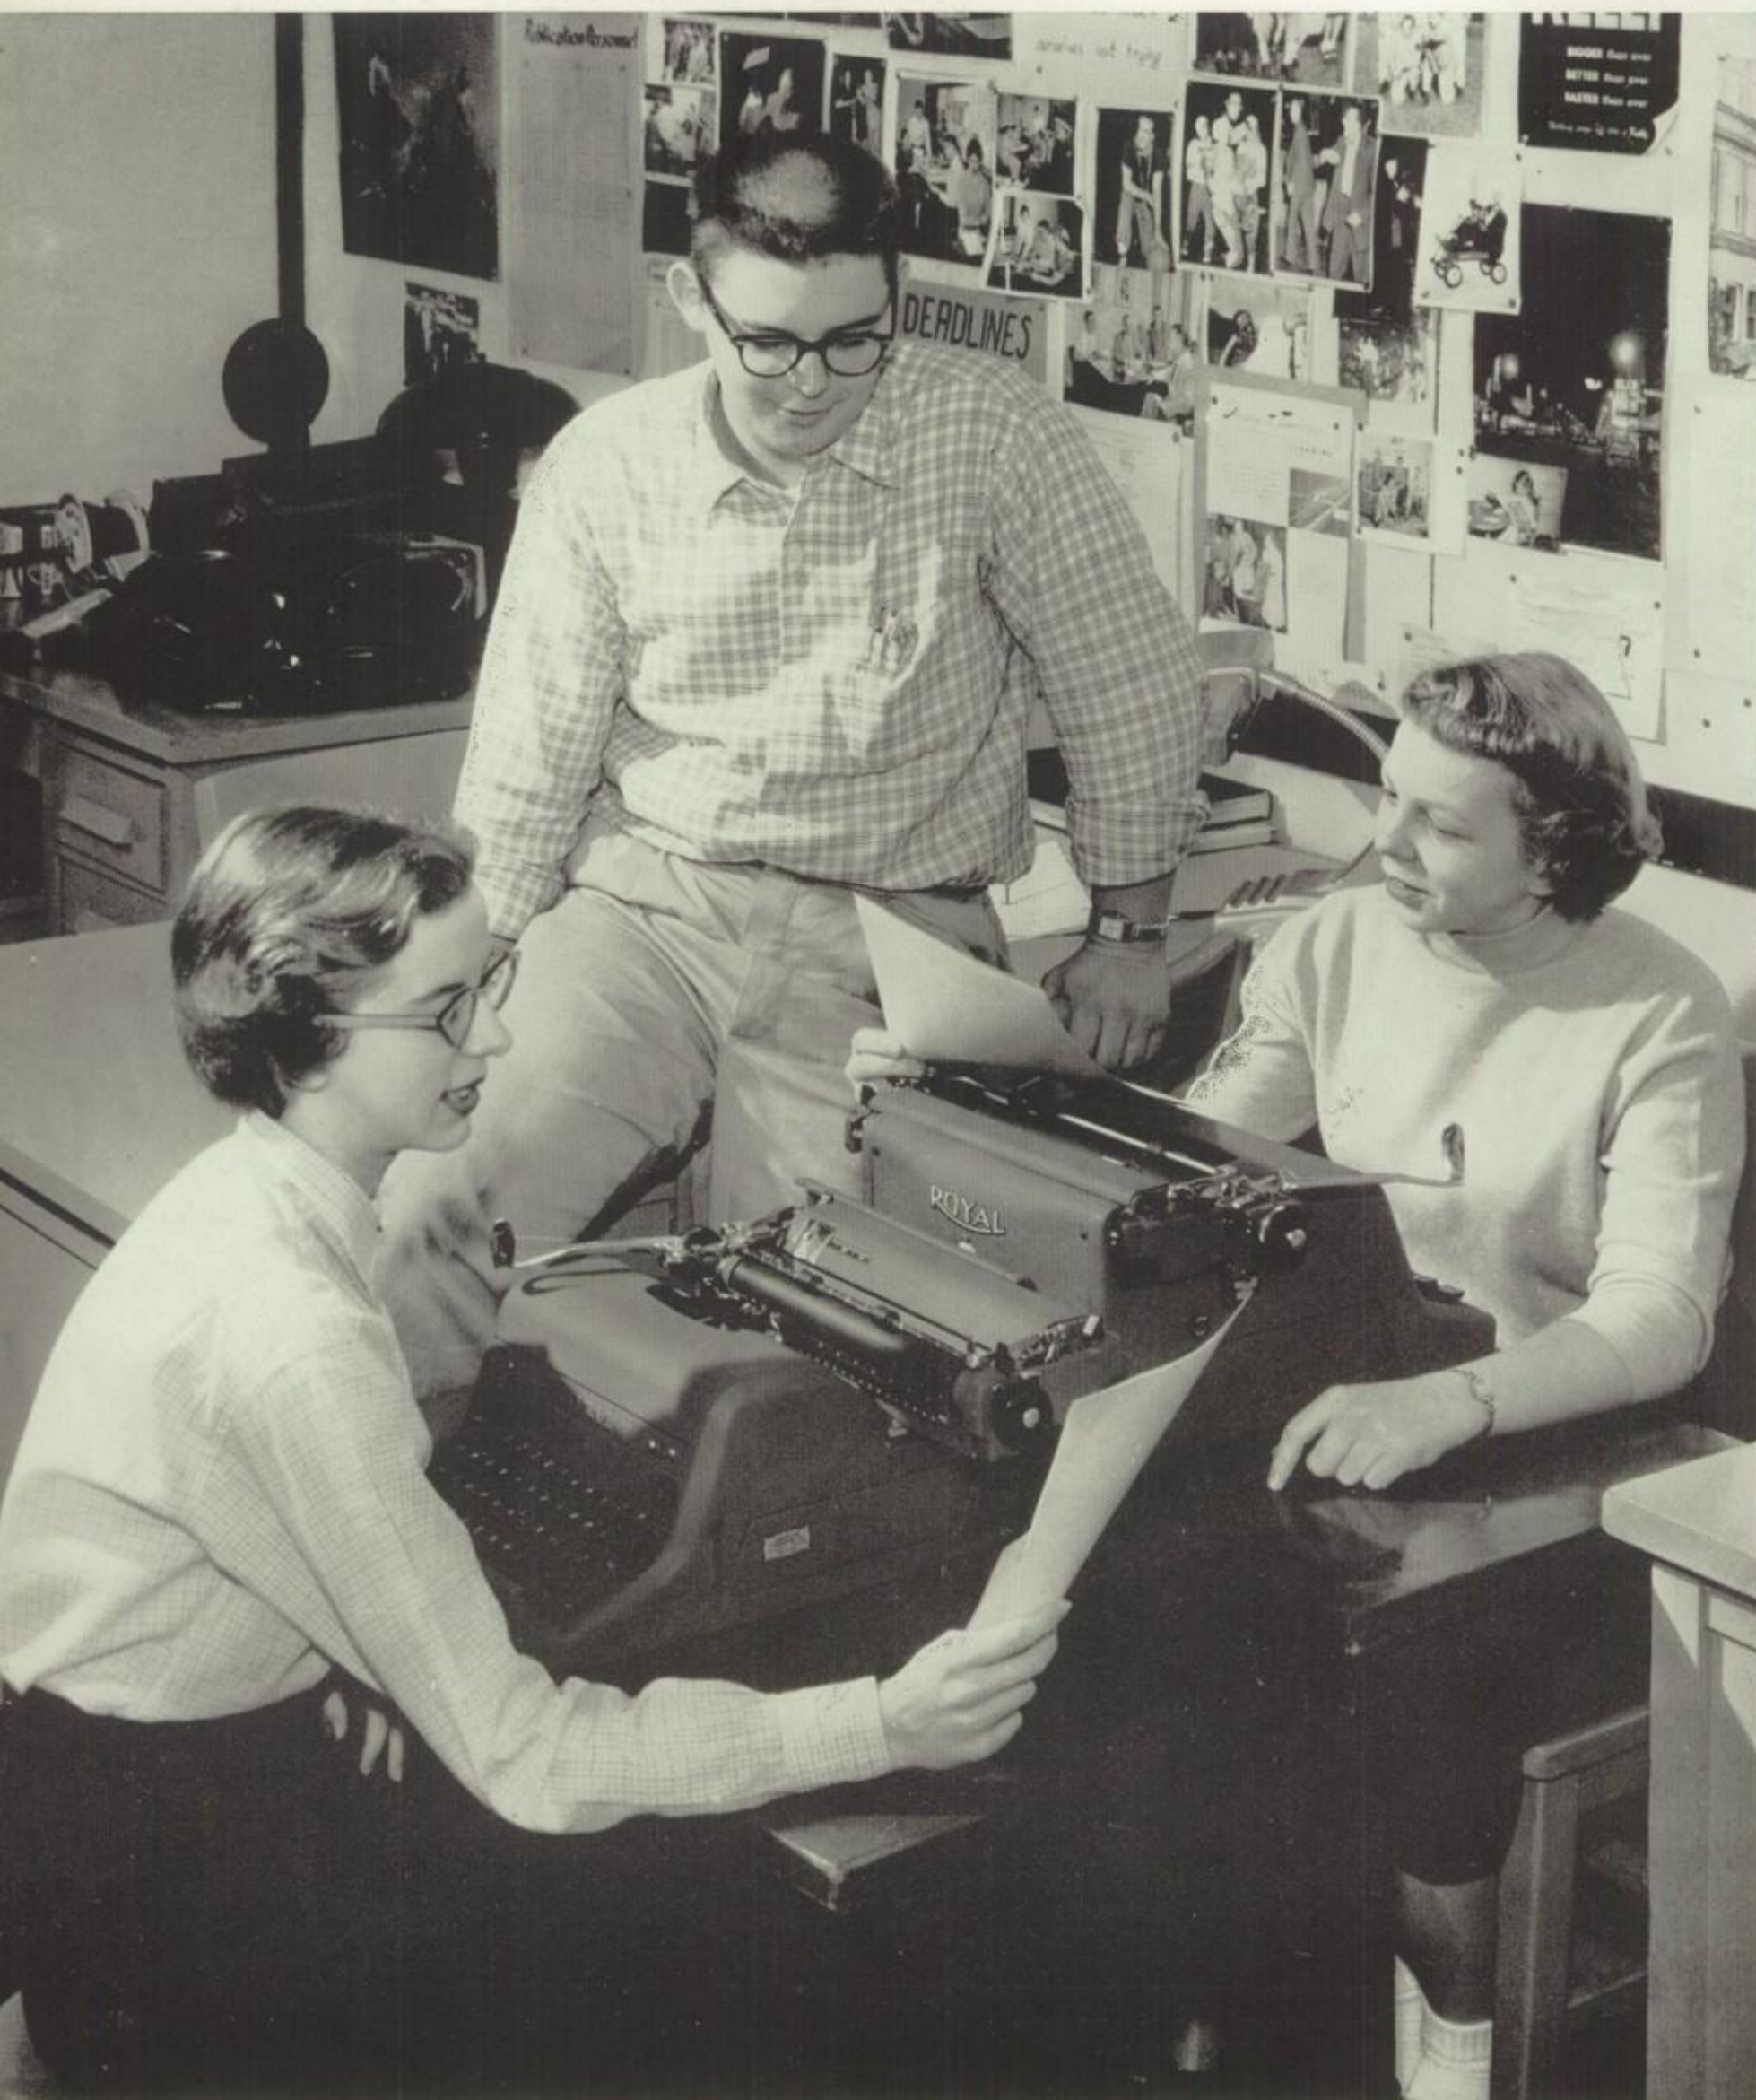

Advising the staff on the many details of producing a yearbook, inspiring, pushing and prodding was our hard-working sponsor, Miss Kelly.

Jon Leipold, assistant business manager; Sue Emmert, ad manager; John Wiswell, business manager.

Jim Peterson, Jane Peterson, Liz Cullen, assistant editors; Dick Roth, art editor; Stan Bough, photographer; Sue Ball, club editor.

Carol Arnold, feature editor; Frank Buzolits, sports editor; Connie Wells, editor.

SPECIAL EDITIONS SPICE WEEKLY ISSUES

The Pennant Weekly, under the sponsorship of Miss Dorothy Kelly, is published weekly by the students of EHS. The Weekly tries to reflect the best in student thinking, report school activities accurately, encourage sportsmanship, cooperation and understanding in EHS and to promote a democratic spirit in the school.

Any student in EHS is eligible to tryout as a reporter, feature writer, ad solicitor, sports writer, or circulation staff member for the Pennant Weekly staff. Two members of the Weekly staff, Connie Wells, editor and Marcia Kendall, assistant editor, attended the Journalism Workshop on the I.U. campus last summer. They planned layouts, editorials and special projects. Other staff members got their positions by advancing from minor jobs, and passing try-out tests.

Working on the Pennant Weekly under the direction of the editors and the managers were: twenty reporters, seven feature writers, five sports writers, seven ad solicitors and a circulation staff of sixteen, headed by Roy Jenks and Dreama Wiseman.

The Pennant Weekly staff published several special issues throughout the year. Special issues were a six page Christmas issue, a Blue and White basketball tournament issue, the annual nut issue which is issued near April Fools' Day, a special junior issue and the traditional senior issue.

The Pennant Weekly is printed in the EHS printshop under the direction of Mr. Kenneth Harding.

Lance Hayes and Liz Scribner, assistant feature editors; Marcia Kendall and Ann Goldsberry, assistant editors.

Sally Scott, assistant ad manager; Jean Guzzo, ad manager; Walter Wells, assistant business manager; Dave Wagoner, business manager.

Standing: Sally Herring, treasurer; Jim Lewis, Camera Club photographer; Stanley Blough, Annual photographer; Susan Haines, secretary. Seated: Ronnie Cress, president.

STUDENT PHOTOGRAPHERS PICTURE SCHOOL ACTIVITIES

The Elkhart High School Camera Club takes pictures for the Pennant Weekly and the Pennant Annual. The club also develops an interest in photography for students.

The Camera Club meets on the first and third Thursdays of the month in the darkroom and on the second and fourth Tuesdays of the month during homeroom in room 132. The business meetings are held on Tuesday and on Thursday the fundamentals of photography are taught.

Club members are busy taking pictures of other club affairs and of all school events.

There are seven members in the club. Anyone interested

in photography is invited to join. The club has its own camera, lights and darkroom.

Although the Camera Club is mainly a service club, they have succeeded in stimulating an interest in photography and also increased their knowledge by taking and making pictures and by posting photographic displays.

Sponsored by Mr. John Morgan, the club has taken pictures regularly for the Pennant Weekly, supplying shots of school activities for the front page of each issue. They have taken pictures of all the school plays and parties, supplying prints at cost to students.

Jim Lewis, Sally Herring, Ron Cress.

SCIENTISTS SPONSOR PROJECTS

The purpose of the Junior Academy of Science is to increase scientific interest by performing experiments not included in class work and by visiting places of scientific interest.

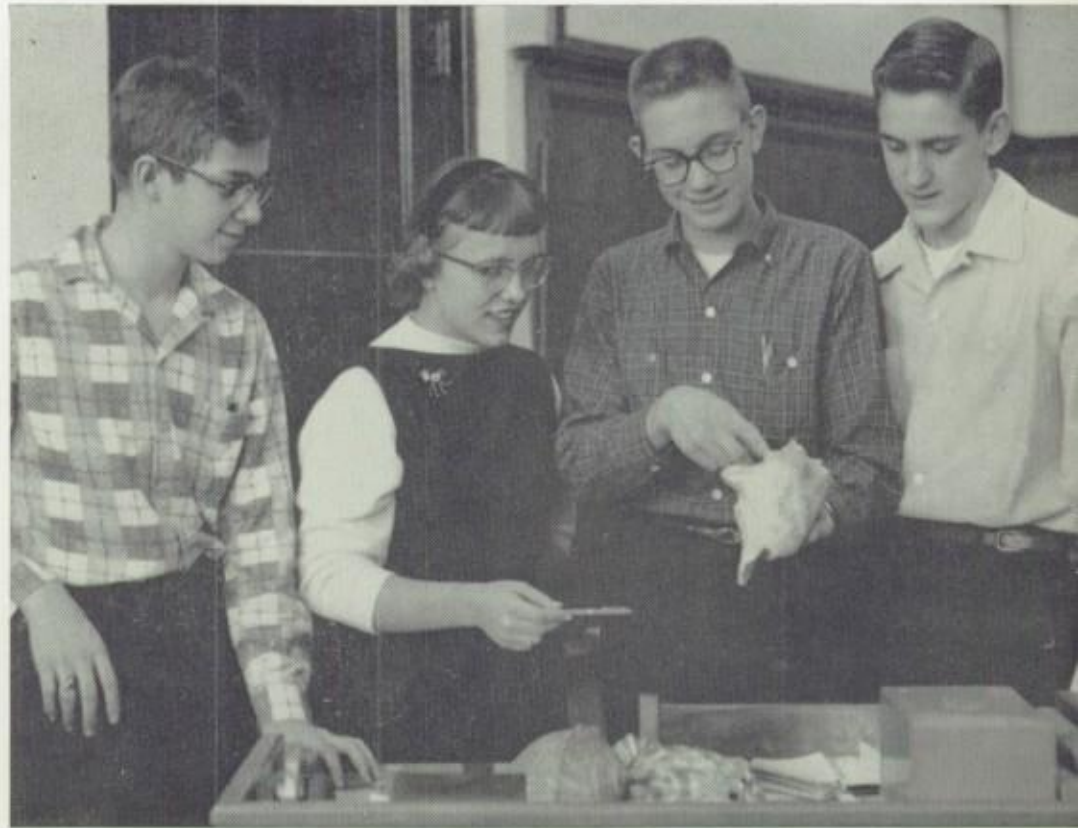

There are fifteen members in the club. Anyone who is interested in science is invited to join the Junior Academy of Science.

The purpose of the meetings is to carry on the necessary business and to stimulate scientific interest by means of a program concerning one of the many divisions of science. The programs do not include talks on just biology, physics or chemistry, but on a variety of subjects, depending upon the member's interests and desires.

One of the club's accomplishments this year was the complete dissection of a frog.

Some of the outstanding events of the year have been attending the County Science Fair, the Regional Science Fair, the Nation Science Fair, taking the senior trip, hearing a talk by Doctor Milo Lundt and seeing motion pictures. Club members who spoke on their own science projects provided some of the programs at regular meetings.

Mr. Mahan and Mr. Herbst are the club sponsors.

Jacob Raab, vice-president; Joan Compton, president; Ronald Bock, secretary; David Lloyd, treasurer.

Standing: Mr. Mahan, Jim Peterson, Peter Lundt, Mr. Herbst. Seated: Dan Searles, Ronnie Bock, Ann Wilttrout, David Lloyd, Jacob Raab.

DISTRIBUTIVE EDUCATION CLUB ATTENDS STATE MEET

Miss Kirkland is the sponsor of the Distributive Education Club which consists of twenty-six members. The purpose of the club is to develop leadership of the club members. Distributive Education helps further the interest of the members in the different phases of retailing and to keep up with the current developments of distribution.

Club meetings are held the second and fourth Fridays of each month. State and national club business is discussed.

Various speakers from the distributive field visit and talk to the club.

The committee in action throughout the year was the bulletin board committee. This committee consisted of Barbara Lewis, Sandra Warner, Mona McCombs and Harold Mitchell.

The Distributive Education local officers attended the Executive Council meeting October 8, 1955 at Indiana University.

WINS STATE HONORS

On February 8, 1956 members of the club attended the state contest, also at Indiana University. Iris Kane was elected state secretary of the Distributive Education Clubs of Indiana. At the state contest, the members placed second in job application and ad layout, third in merchandise manuals and sales demonstration judging.

Sandra Weldy, secretary; Alice Schuler, treasurer; Roger Nusbaum, vice-president; Iris Kane, historian; Max Chiddister, president; Roger Sheets, social chairman.

Seated: Beverly Dull, editor; Sandra Haid, vice-president; June Shearer, president; Joan Bennant, historian; Carolyn Schuelke, president. Standing: Barbara Pollard, song leader; Sally Hauenstein, Parliamentarian; Carolyn Larimer, treasurer.

FUTURE HOMEMAKERS OF AMERICA PLAN FACULTY TEAS

The twenty-two members of the Future Homemakers of America meet in room 332 on the first and third Wednesdays of every month. Each month the club dedicates one meeting to business and one meeting to a program.

The Future Homemakers of America Club is open to all high school girls who have had at least one year of high school homemaking or are taking it.

The purpose of the club is to further the individual's interest in home economics by promoting an appreciation of the joys and satisfactions of homemaking through activities.

Each month the club acted as hostesses for the faculty

tea, decorating the table, and making and serving refreshments.

On November 16, Paola Fassio had charge of the program. She showed the group how to make ravioli while she spoke about her native country, Italy.

The annual Christmas caroling party was held on December 18. After the caroling, refreshments were served at the home of Miss Richardson.

February 29 was the date for the annual Double-Date night. On this occasion, second semester members were initiated and emblems of merit were presented.

Miss Alice McKeehan is the club sponsor.

F.N.L. LOOKS AHEAD TO UNIFORMS AND CAPS

The Florence Nightingale Lamp Club is organized to provide and develop a better understanding of the nursing profession for those interested in nursing. Practical experience is gained by helping take care of minor emergencies in the dispensary. Club members and other interested students serve one hour a day assisting the school nurse.

Some of the outstanding events for the year were sponsoring Health Careers Night at which future nurses heard talks from seven hospital representatives on therapy, dental hygiene, professional nursing, dietetics and dental hygiene; hearing speakers on cancer and mental health; giving a Mother-Daughter Tea; and taking a trip to Norman Beatty Hospital.

Other activities of the club were a Pot Luck Supper at which the Obstetrical Supervisor from Elkhart General Hospital was speaker, a Christmas party and a demonstration on artificial respiration by the Elkhart Fire Department.

The year ended with a June picnic. Mrs. Julia Johnson is the club sponsor.

Marlene Johnson, treasurer; Jackie Scholfield, secretary; Janice Alman, vice-president; Loretta Glant, president.

Mending books—Joan Miller, Patti Springer, Joyce Markus, Sue Zimmerman, Loretta Glant, Martha Maloney.

Louise Poorbaugh, president; Joan Shearer, vice-president; Marlene Plank, secretary; Shirley Sassaman, treasurer; Naomi Stevens, sergeant-at-arms; Sue Zimmerman, social chairman.

TRIPLE L SERVES SCHOOL

The purpose of Triple L Club of twenty girls is to encourage scholarship, promote leadership and serve school and community.

Sponsored by Mrs. Black, the club meets either in room 14 or at a member's home on the first and third Tuesdays of every month. The first meeting of every month is a business meeting and the second is a combination of business, program and social hour.

The LLL sold P.T.A. calendar books, helped at "Back to School Night" and "College Night," sent baskets to needy families at Thanksgiving and Christmas, worked on the dime line for the polio fund, cleaned the trophy case, made favors for hospital trays at Easter and held a Mother-Daughter Tea on April 22.

As a money-making project and as a service to the school, the Triple L girls have mended all of the rental texts which book inspection revealed as in bad repair. Students paid ten cents a book for these repairs. Having been trained by librarians, the girls mend books each Thursday after school.

A party honoring senior members was held in May.

Sally Grillo, contest manager; Sue Eichelburg, vice-president; Peter Grillo, sergeant-at-arms; Bev Weaver, president; Jacob Raab, treasurer; Carol Grossman, secretary.

Regular club meetings are held the first and third Fridays of each month in room 109. Besides the business meetings, educational and entertaining programs are enjoyed.

MEMBERS OF SPEECH CLUBS

Approximately sixty students belong to the Speech Club, which has as its purpose the sponsoring of speech activities in extemporaneous speaking, oratory, declamation, discussions, poetry reading and radio speech work. The club makes it possible for any member who wishes to take part in any of these areas to enter contests and gain experience in speaking.

In November the speech students were hosts to a junior Town Hall meeting in the auditorium, broadcast by WOWO. An EHS team debated with a Warsaw team on the subject of popular music.

The biggest speech event of the year was the trip to Purdue, when EHS speech students competed with many other schools in the Purdue Legislative Conference. They brought home many honors this year.

Meanwhile, speech students were carrying on their many and varied speech activities. The most time-consuming project was the weekly broadcast over the local radio station of a fifteen-minute program, entitled "Your Schools." On Saturday the students broadcast a record show, "Teen Turntable." Speech students take turns reading the daily announcements over the PA system; they are responsible for the introduction of assembly speakers and make the announcements at games.

All these club and speech activities are supervised by the very capable director, Mr. Wenger.

Bev Weaver conducting Speech Club meeting.

WIN MANY HONORS AND AWARDS

The National Forensic League, sponsored by Mr. Wenger, is composed of twenty-five Speech Club members who have earned twenty speaking points in community or interscholastic speech events and ten points a year to remain as members.

The purpose of the National Forensic League is to arouse interest in forensics and develop the forensic talents of its members.

Meetings are held monthly at the homes of certain members. The purpose and type of regular meetings is to organize various speech activities, such as contests, or to enjoy social activities.

The publicity committee, chairman Jan Martin, was active throughout the year.

The National Forensic League works in conjunction with the Speech Club, sharing in the social affairs and initiation ceremonies.

The speech banquet in May climaxed a year of successful speech activities.

EL CIRCULO ESPANOL LEARNS SPANISH CUSTOMS

El Circulo Espanol, with Miss King as sponsor, consists of thirty students who have studied or are studying Spanish. The club encourages the use of oral Spanish in social setting, fosters better relationships between the Spanish students and promotes a better understanding of Spanish-speaking lands through contact with local residents from those countries. Meetings are held the third Wednesday of every month, either in the homes of members or at school.

The club had many interesting programs this year. Edmundo Zarria, native of Equador, spoke to the club and showed pictures of his country. Mr. David Lozano, who spent years in Bolivia, was the speaker at the induction of ten new members into La Sociedad Hispanica, Spanish National Honor Society. The sponsoring of this Sociedad is a major project of the club. In March Laura Turner showed pictures of South America.

The major activities of the club included a trip to the Mexican sections of Chicago, to see "Exeahona" and eat at Mexican Lindo, and "Invitations" dance, where Mexican folk dances were learned.

Peggy Berger, treasurer; Lynn Flora, vice-president; Tom Renaldi, president; Sharon Fetter, social chairman; Nancy Bushong, secretary.

CLUB BUILDS FRIENDSHIPS

Le Cercle Francais is organized for the purpose of offering students the motives and the means to a better understanding of the French people, their language and customs. The club also helps to establish friendship and to create understanding toward the people of other countries. Our foreign students are always honorary members, the club making every effort to help them feel at home in EHS. Mrs. Francis Avery is the club sponsor.

The French Club meets every third Tuesday of the month in the school cafeteria. Members are students who take French or who are interested in the club's activities.

Many interesting programs were presented this year. Susan Haines spoke of her experiences in Switzerland; Barbara Shank, in Germany; and Sue Kraybill, in Sweden. These students who had traveled abroad, sponsored by A.F.S. last summer, showed slides illustrating their trips. George Goetschel spoke of his school life in Paris at a party in his honor.

The special activities of the club included the annual spaghetti supper and the "Soiree Francaise" in April, with club members presenting an entertaining program of songs,

DRAMA CLUBS SPONSOR PLAYS

The fifty members of Wig and Cue hold their meetings after school on the first and third Tuesdays of every month. The first meeting of the month is strictly of a business nature; the second meeting combines business with a program and refreshments.

During the Christmas season, Wig and Cue members gave twenty-two Christmas programs, which included a Christmas play with a choir of seventeen members.

At Easter, a play was presented for a school assembly. This play and other Easter readings were presented before many organizations throughout Elkhart.

The purpose of Wig and Cue is to furnish opportunities for the advancement of individual dramatic talent and acts. By giving plays and readings, members have gained experience in acquiring poise and self-confidence which will enable them to face any situation in life. Points toward membership in Thespians are also earned by these presentations of plays and readings to school, church and civic groups.

The Wig and Cue Club is sponsored by Mrs. Dillen.

Wig and Cue members presenting a skit.

FOR SCHOOLS AND COMMUNITY

The National Thespian Society sponsored by Mrs. Dillen is a dramatic club of fifteen members. To be a Thespian, members must earn twenty points while in Wig and Cue by appearing before audiences in plays or performing readings.

The purposes of the Thespian Society are to develop a spirit of active and intelligent interest in dramatics, to encourage students to gain a better mastery of the language, to develop poise and self-control and to learn to appreciate dramatic literature.

This year the Thespian Banquet was held on May 5. The Thespians took part in Christmas and Easter programs. A field trip through WSJV was also scheduled along with a trip to the State Regional Conference. During the week of Jan. 18-23, the sixth annual National Thespian Conference was held at Indiana University.

During the course of the year, Thespians have accomplished a great deal. They have learned how to take all kinds of criticism; they have gained poise and self-confidence; they have developed a better understanding of dramatic literature as well as giving many excellent performances.

SENIORS PRESENT YOU CAN'T TAKE IT WITH YOU

On Thursday, February 16 at 8 P.M. the Senior Class presented its class play, **YOU CAN'T TAKE IT WITH YOU**.

As the curtain rose, the audience found themselves in the front room of the zany Sycamore family, where plays are written, snakes collected, and ballets practiced.

The plot thickened when Tony Kirby, Alice Sycamore's wealthy fiancée, brought his parents to dinner on the wrong evening. The stuffy Kirbys were insulted when served inexpensive food and offered silly entertainment. Realizing that her marriage to Tony could never be a success, Alice broke their engagement. But Tony, who really knew the lovable Sycamore family, didn't want to break the engagement.

Before the curtain fell on the final act, Mrs. Kirby was converted to the happy madness of the Sycamores and the kindly philosophy of Grandpa.

The cast included Vince DeDario as the lovable Grandpa who didn't believe in taxes, Linda Zeigler as Mother, Bev Weaver as Alice, and Greg Cooper as Tony. Others included Iris Kane, Dick Purvis, Dave Boussom, Sue Eichelberg, John Wiswell, Frank Wogoman, Sally Grillo, Larry Thompson, Karen Kensill, John Keeley, Don Weaver, Mike Hyde and Dick Hanover.

19 EHS CLUBS WORK TOGETHER ON ALL-SCHOOL PLAY

Take John Emerson's and Anita Loos's three-act farce, **THE WHOLE TOWN'S TALKING**, add the co-operation of nineteen EHS clubs, along with an ambitious cast, and an equally ambitious director and the result is a good all-school play, the school's tenth production. The play was given on a wintry night, February 16, 1956.

The plot concerned a wealthy manufacturer, Henry Simmons, who was also a wily match-maker. His scheme was to promote a romance between his daughter and his rather dull business partner, Chester Binney. There was also a subplot in which Simmons' wife suspected him of having another romance with a local dance-hall queen. The plot became more involved with the appearance of the daughter's

current boy friend, a continental type of man who wows all the local girls with his Parisian manners. Complication resulted when the glamorous movie star who had been announced as Binney's old flame actually arrived on the scene. After many amusing situations, Binney's tangled romance with Ethel was successful.

The leading roles were played by Lance Hayes as Mr. Simmons, Dick Purvis as Chester, and Beryl Stutsman as Simon's daughter Ethel. Others in the cast were Rachel Culp, Naomi Stevens, Bill Cullen, Vince DeDario, Chris Eyer, Barbara Pollard, Barbara Burnstine, Bernice Zeldin, Al Husted and Bev Weaver.

Satan's little devils . . . Jean Ansden, Judy Hooley, Becky Evans, Jean Ann Rentsch, Jeannine Noffsinger, Jan Cummins.

ST. PETER AND SATAN APPEAR IN JUNIOR FOLLIES

On October 15, 1956, the class of '57 presented its Junior Follies, SAINTS AND SINNERS. The plot revolved around a young couple, Tony and Lola, who were separated on judgment day. When the curtain rose, the gates of heaven and hades appeared on the opposite sides of the stage. As each mortal came to be judged, a jury of saints proclaimed him either "Saint" or "Sinner."

One of the top notch acts featured in the Follies was a rendition of "St. Louis Blues" by Tom Atkins. The golden gates of heaven opened as Sandra Abplanalp performed a graceful ballet. Hades was well represented by a modern dance group composed of twenty-six devilish juniors, announcing the entrance of Satan.

Soft lights and romance came into the show when Jean Gilbert sang "Love Is A Many Splendored Thing" followed by an all time favorite "Blow Gabriel Blow" with John Mitchell playing trumpet.

After numerous other acts and musical numbers, the class of 1957 brought the Junior Follies to a sparkling finale.

The cast included Lancy Hayes as Satan, Mike Donovan as Tony, Dora Krohn as Lola, John Clem as St. Peter and a variety of numbers made up of the rest of the Junior Class.

Top: Heavenly board of review . . . Paul Lockwood, Grizelta Ponder, Bernice Zeldin, John Clem, Lana Behrens, Linda Fredrick. Middle: Paul Oakes Band . . . JUNIORS PRESENT MYSTERY

On Saturday evening April 22 the class of '57 presented the annual Junior Class Play. This year's production was Jane Hinton's mystery, MEET A BODY. Mr. Charles Hampton, of the Roosevelt faculty, directed the play.

The scene was laid in a cheap funeral parlor run by the kind-hearted MacGregors, whose "\$70 special" covered everything, including silver handles and door crepe.

Five years previously, Lanzetti, an insane dancer, had been convicted of murder on evidence given by the MacGregors. Having escaped from the asylum with the aid of a mysterious gentleman, he threatened to get the MacGregors. Presently a man resembling this gentleman appeared. However, he was Everett T. George, the noted inventor. He brought a coffin, ordered his own funeral, and put down \$10,000.

As George's will was read, four people became heirs under unusual conditions. But as each died as he fulfilled these conditions, these deaths built the show up to a tense and climactic final scene.

Playing the leading roles were Denny Denman and Jean Lytle as John and Margaret MacGregor; Bill Cullen as Nanny, their friendly neighbor. The fine supporting cast consisted of Tom Richmond, Penny Gillespie, Lance Hayes, Paul Oakes, Ann Wiltrout, Bernice Zeldon, Lynn Flora, David Lloyd, Phil Wysong, and Al Husted.

Top: Fortune hunters . . . Al Husted, Lynne Flora.

HI-Y OPENS BLUE NOTE CLUB

To create, maintain and extend the high standards of Christian character throughout the home, school and community are the purposes of the HI-Y.

Members meet every other Thursday at the Y.M.C.A. The big project was running the Blazer Blue Note.

Early in the fall, recognizing the need for a noon hour recreation center, the HI-Y Club was instrumental in providing one in the basement of the Y.M.C.A. The boys did much of the painting, decorating and equipping. The Student Council members of the home rooms sold tickets to the high school and junior high students. The room, named the "Blazer Blue Note," was equipped with a soda fountain and a record player.

In providing this place, the HI-Y has been greatly helped by PTA mothers, who have chaperoned the members during the noon hour and after school. The attendance has been good; the club feels well repaid for its sponsorship of this project.

The club sponsored after-game dances at the Y, kept the Blue Note clean, put new pool covers on the pool tables in the Boy's Room and rejuvenated the ping-pong room.

Swims, movies, ping pong, pool games and a trip to Chicago for a ball game were only a few of the HI-Y many activities for the year.

Mr. Morgan is sponsor of the club.

Y-TEENS WORK FOR OTHERS

To grow as a person, to grow in friendship with people of all religions, nationalities and races, to grow in the knowledge and love of God—these are the goals of one hundred and fifty high school Y-Teens.

Every Thursday evening at 7:30 a meeting is held in the Y.W.C.A. where many service projects are formulated: bell ringing for the Salvation Army Dime Line, organizing literature for the March of Dimes, decorating the Christmas tree in the children's ward at the hospital, assembling literature for CROP, and holding a party for the Crippled Children in the spring and serving as hostesses for the Northern Indiana Conference held here February 4. Another major project of the club was Hobo Daze, a day organized to do odd jobs for people.

The members of the club also enjoyed speeches by Rawzi Carter of Lebanon, a hair stylist, a panel discussion on brotherhood by the exchange students and a flower show presented by Westview Florists.

The year was highlighted by two dances: The Sweetshop Hop in November and the Sweetheart Swing in February.

A recognition tea for seniors in May and a retreat June 9 concluded the projects of the club for the year.

Mrs. Barbara Gregg, Miss Katy Rowe and Mrs. Dorothy Tidewell are the sponsors.

VISUAL EDUCATION BOYS SERVICE FILMS AND PROJECTORS

The purpose of the Visual Education Club is to provide audio-visual materials for classes. This year eleven junior boys and twelve senior boys belonged to the club which is sponsored by Mr. Mater.

This club has been very busy this year since a larger number of audio-visual materials are being used in the various classes. Each day Mr. Mater and the boys make a schedule for showing films. The boys use their study periods to show these films to the classes.

During the year, the club sponsored two movies in the auditorium. Students could see these films during their study periods if they wished. From the money made on these films an award was given to the outstanding senior boy, and letters were given to the club members. This money also helped to pay for the club parties.

Standing: Eleanor Clyde, Joyce Markus, Donna Culp, Judy Kidder, Elizabeth Stout, Paola Fassio, Margo Hummel, Frank Stoll, Rosario Lodge. Seated: Karen Stuck, Frances Wright, Leslie Stuck.

CLUB STUDIES ART ASPECTS

The purpose of the Paint and Palette Club is to further the knowledge, understanding and appreciation of art in all fields. Members work with various media, such as clay, oils and silk screening.

The programs of this club consist of hearing outside speakers, or working on art projects.

During the year the club members work on various projects. Outstanding projects of the club this year were making Christmas decorations for the second floor hall, and making posters and program covers for the all-school play.

The big event of the club is the annual trip to Chicago. At this time members visit several art museums and art shows.

The club's sponsor is Mr. Howard James.

Margo Hummel, vice-president; Leslie Stuck, president; Joyce Markus, secretary-treasurer.

Faculty tea hostesses—Carolyn Larimer, Marie DiCamillo, Lynn Lauby. Guests—Mr. Mahan, Mrs. Swhier.

FUTURE TEACHERS PLAN CAREERS IN EDUCATION

Sue Koehler, treasurer; Carolyn Larimer, president; Judy Bloss, librarian. Standing: Larry McCullough, vice-president.

Future Teachers, sponsored by Miss Jones, has twenty-seven members. The purpose of the club is to promote interest in teaching. The meetings are the fourth Tuesday of every month in the evening in the cafeteria or at one of the elementary schools. Some meetings are all business; in others, programs give the members aspects and ideas on the teaching profession.

The program committee, consisting of Larry McCullough, chairman; Lynn Lauby, Sally Adams, and Sharon Foust, acts all year.

The Future Teachers Club helped celebrate National Education Week in November. In February, they gave apple Valentines to the teachers. A teacher's tea was held in March.

Miss Luke, President of the Indiana Classroom Teachers, spoke to the club. Members have also heard special panels on teaching. Some of the members attended the Indiana Future Teachers of America state meeting in Terre Haute, April 14. On March 18, they attended the Delta Kappa Gamma Tea for prospective teachers at Nappanee.

MEMBERS OF INDUSTRIAL CLUB TAKE FIELD TRIP

Any student enrolled in an industrial class is eligible for membership in the Industrial Club. To remain in the club a student must make good grades and be a good school citizen.

The purposes of the Industrial Club are to further the students' knowledge of various industries, to help prepare the members for employment after their graduation and to promote a better understanding and friendship between the student and teacher.

The Industrial Club, organized about ten years ago, was inactive most of this year but finally organized in the second semester and held regular meetings.

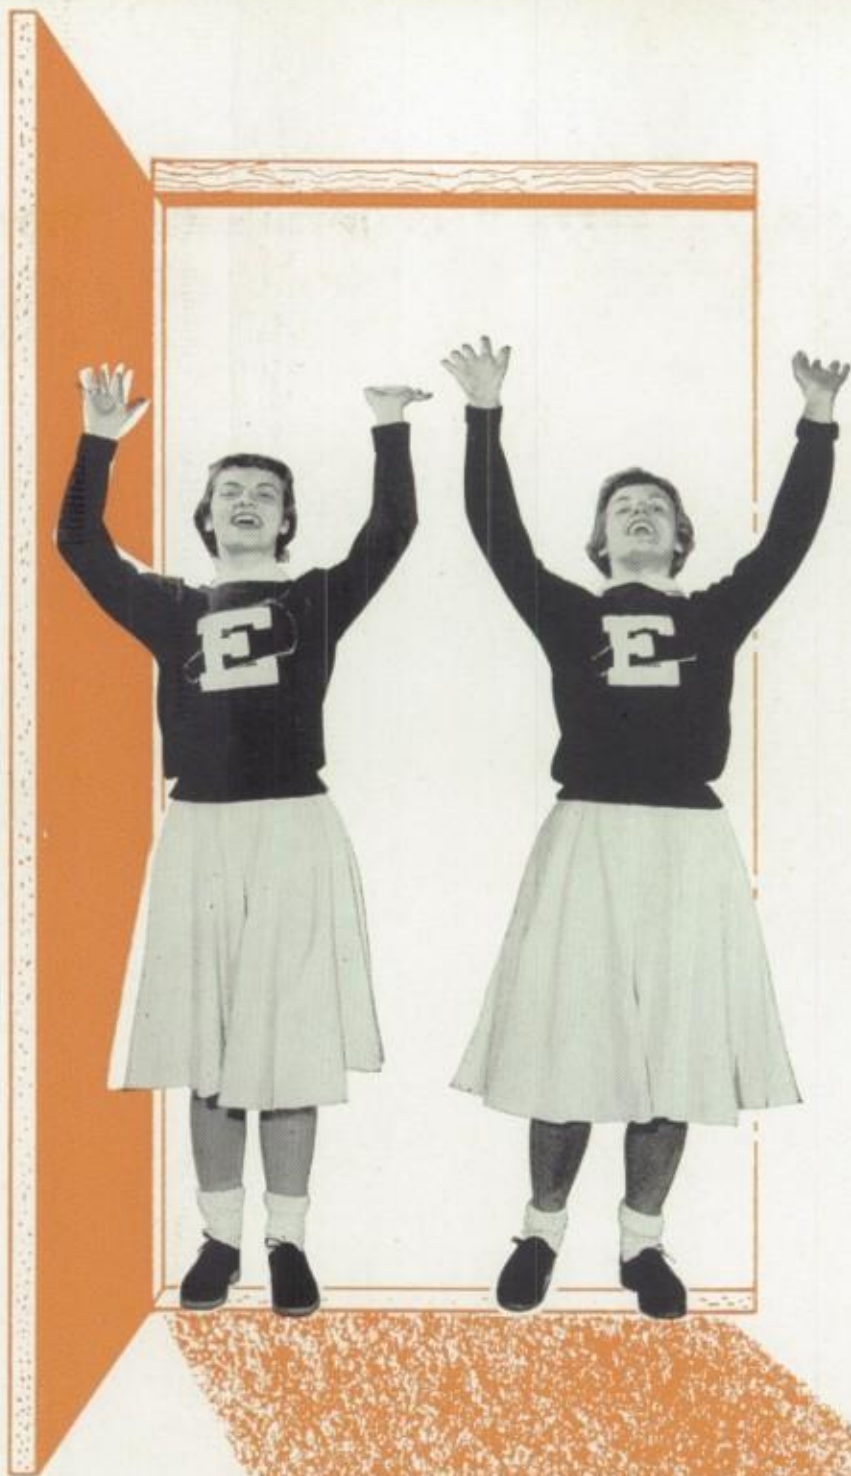

Activities of the club planned for this year were a picnic in the spring and a trip to Ford Museum in Detroit or to the Museum of Science and Industry in Chicago.

Mr. Broadbent and Mr. Isbell are the sponsors.

Doorways to sportsmanship . . .

At Rice Field, in the North Side Gym, or in our own high school gym we cheered for our athletic teams. Through victory or defeat we watched our boys display good sportsmanship. Coaches, players, cheerleaders, and cheerblock inspired us until we were filled with that strong proud enthusiasm known as school spirit.

EHS boasts one of the finest athletic fields in the country: we have good bleachers, a well-equipped field-house, a beautiful scenic location along the river . . . a flood lighted turf, and a modern broadcasting booth.

The story of football on crisp October nights cannot be written without praising the marching band, with their smooth maneuvers, precision marching, and spirited music.

Inexperience Hampers Blazers in '55 Season

At Rice Field football begins in August. Even in northern Indiana, August is a hot month, but the boys and coaches come out in a variety of dress and undress, and practice sessions begin in earnest. Some can't take it; at the beginning Jan had 82 come out for try-outs; by September 1, the number had simmered down to 50.

As the season began, Coach Janzaruk was faced with the difficult task of replacing the many key men lost through graduation. Opening the season by using eight seniors in the starting line-ups, Jan soon found that he had to use underclassmen, in the hope of strengthening his squad and at the same time giving the rookies valuable game experience.

The Blazers opened their 1955 football season on September 6, tying the Huntington Vikings, 19-19.

Both teams exchanged early scores. Huntington scored shortly after the opening kickoff and Douberteen scored the first Blazer touchdown a few minutes later.

Bartlett and Douberteen added the last two TD's, Bartlett's coming on a 38 yard run after he blocked a punt. Douberteen's touchdown gave Elkhart its only lead, but Huntington scored in the last three minutes to gain a tie.

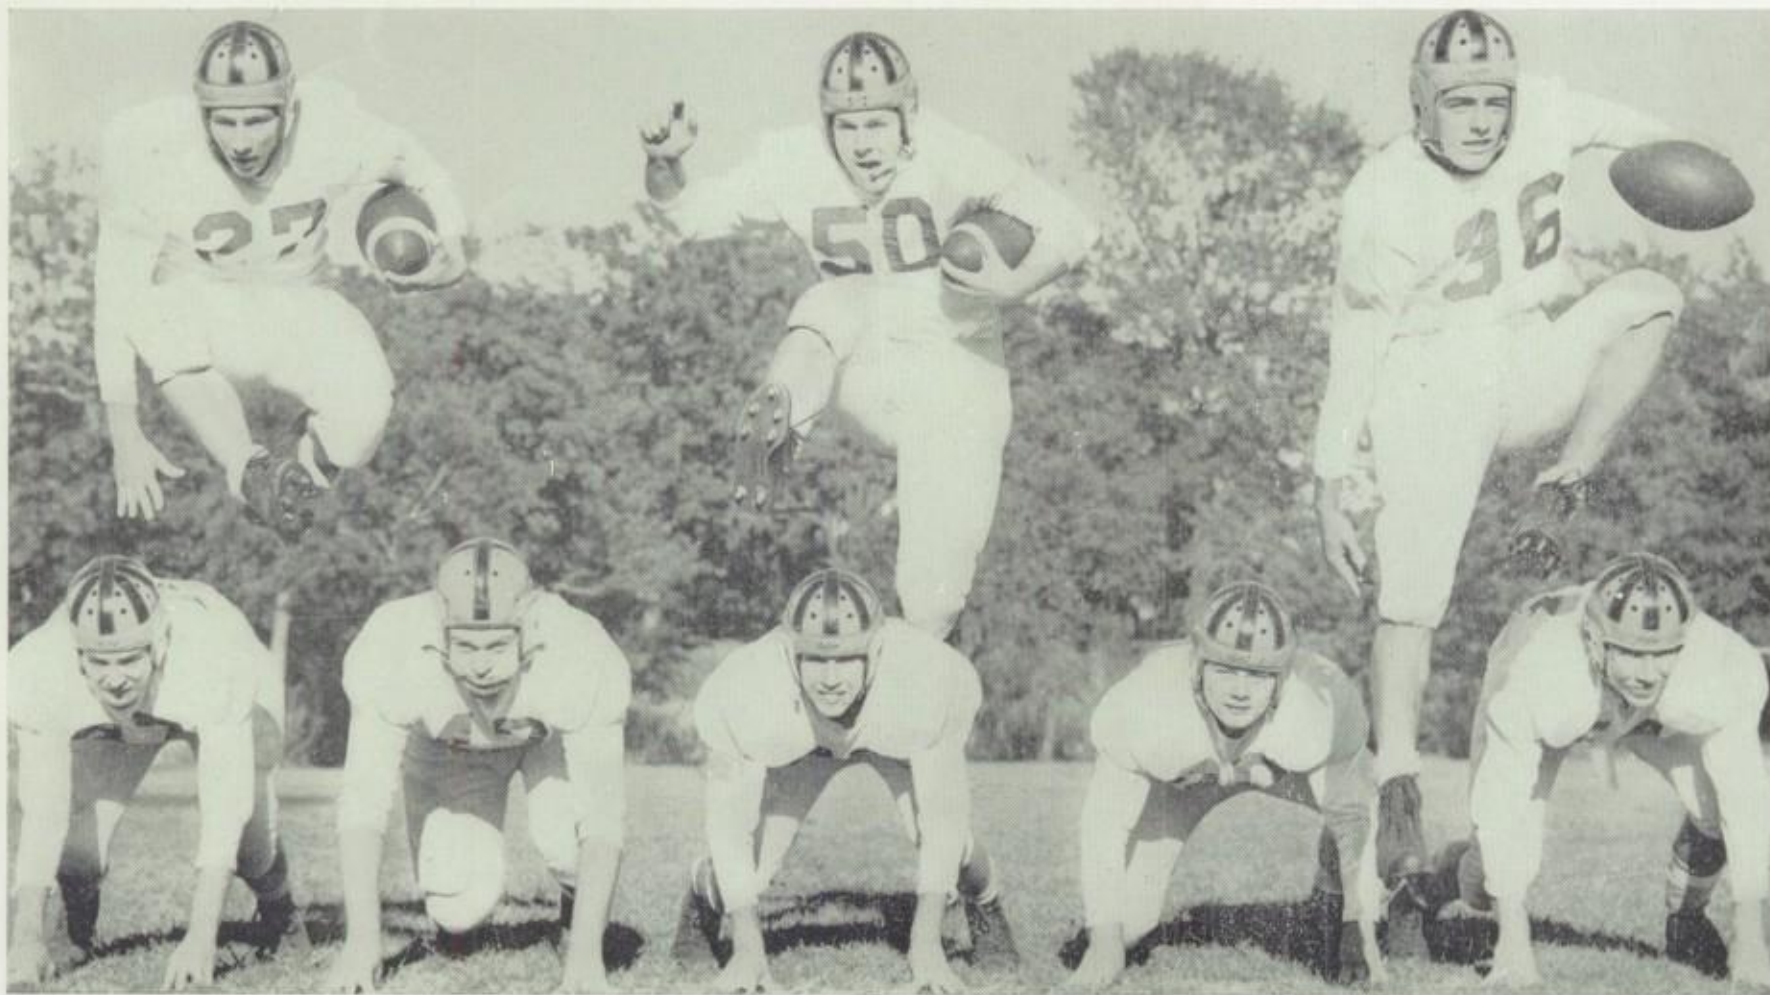

Three days later the Blazers journeyed to Fort Wayne where they suffered their first conference loss, 13-0 at the hands of a large and powerful North Side team.

The following Friday, September 16, a strong start and a weak finish spelled downfall for the Blazers as Mishawaka dumped them 26-7.

The Blazers scored first on a 15 yard plunge by Douberteen. But the strong Maroon football machine began to roll, and with the help of two long runs by Witkowski, completely overwhelmed the Blazers.

Although showing definite signs of improvement, the Blazers lost to a strong South Bend Washington team, 20-7, in their second home game of the year. Elkhart's only score

came in the fourth quarter when Larry Randall went over from thirty yards out.

On September 30, the LaPorte Slicers traveled to Elkhart to meet the Blazers. The game turned into a disastrous defeat for the Blazers with LaPorte scoring the first time they got the ball. Four of the five Slicer touchdowns came on runs of forty yards or more.

In the final quarter, fullback Carlton Thorpe crashed over from the one yard line, after a long pass from Adams to Robinson. Final score 32-6.

The Riley Wildcats were next on the Blazer schedule.

The Blazers completely dominated play, marching from one end of the field to the other and piling up 16 first downs and 180 yards on the ground. However, the Blazers never penetrated the "promised land."

Meanwhile the Wildcats scored on the intercepted pass and a long pass of their own for a 14-0 win.

On October 14, the Blazers faced a powerful Fort Wayne Central outfit.

The game was possibly the best offensive effort of the season for the Blazers. Both teams scored twice in the first half, with Jon Howard scoring on runs of 65 and 85 yards.

Then came the climactic game with Goshen.

The Redskins, after recovering a Blazer fumble, passed for a T.D. and led 7-0. Again, with two minutes left in the half, the Redskins passed for another T.D. and led 13-0 at intermission.

The Blazers were able to push over a touchdown in the third quarter on a pass from Adams to Robinson. Final score 13-6.

On October 28, the Blazers played host to undefeated and untied South Bend Adams. The Blazers put on probably their best show of the season against the Eagles.

The Blazers opened the scoring in the first quarter when Douberteen pushed over from the one. However the Eagles came back and scored, near the end of the half and led 7-6.

In the second half, the Blazers were able to penetrate the Adam's defense only to the 11 yard line. Midway through the third quarter, Baird scored his second T.D. for Adams on a 25 yard jaunt. Final score: Adams 13, Elkhart 6.

GRIDDERS DROP CLOSE GAMES

For the last game of the season the Blazers traveled to Michigan City to meet the Red Devils.

On the Blazer's first play from scrimmage, Douberteen galloped 46 yards for a touchdown; however the Red Devils came right back and scored after a 50 yard drive. The Red Devils scored their second touchdown midway through the second period on a long pass and led at intermission 14-6.

In the third quarter, Douberteen dashed over the goal line from ten yards out, but the Devils still led 14-12, coming back to score again as the quarter ended.

The Blazers were able to push over one more touchdown in the last quarter when Robinson sprinted 39 yards to the four, scoring on the next play. However the Devils were still 2 points ahead as the gun ended the season.

Thus came the end of an unsuccessful season but the Blazers, with little material, playing in the toughest conference in years showed steady improvement and put in good performances against strong Fort Wayne Central and conference champions South Bend Adams. The underclassmen, who received much experience this year, are expected to make next year's football story a much different one.

LIONS HONOR ATHLETES, COACHES AT ANNUAL BANQUET

Nearly 300 persons, one of the largest turnouts ever to honor an Elkhart High School football team, attended the 31st annual grid banquet for the 1955 edition of the Blue Blazers. The dinner was held on December 1, in the Athenian Room of the Hotel Elkhart.

Former Blazer basketball coach, Bill Milliner, acted as toastmaster. He introduced head coach, John Janzaruk, and the main speaker, Stu Holcomb.

Coach Janzaruk introduced Tom Howard, who was chosen captain by his Blazer teammates. Keith Davis was awarded the Elkhart Truth's most valuable player trophy by Truth sport's editor, Tom Stephenson.

Holcomb, former Purdue football coach and recently appointed as athletic director at Northwestern, talked on his career as a coach at Findley College, West Point, and Purdue. Erich Barnes, former halfback from Elkhart now

at Purdue, was praised by Holcomb for his fine showing in football.

The entire 1955 squad, both major and minor letter winners, were introduced along with the coaches of the team and junior high teams. High school coaches included Lyle Button, Tony Campagnoli, Max Bell, and Matt Ronzone.

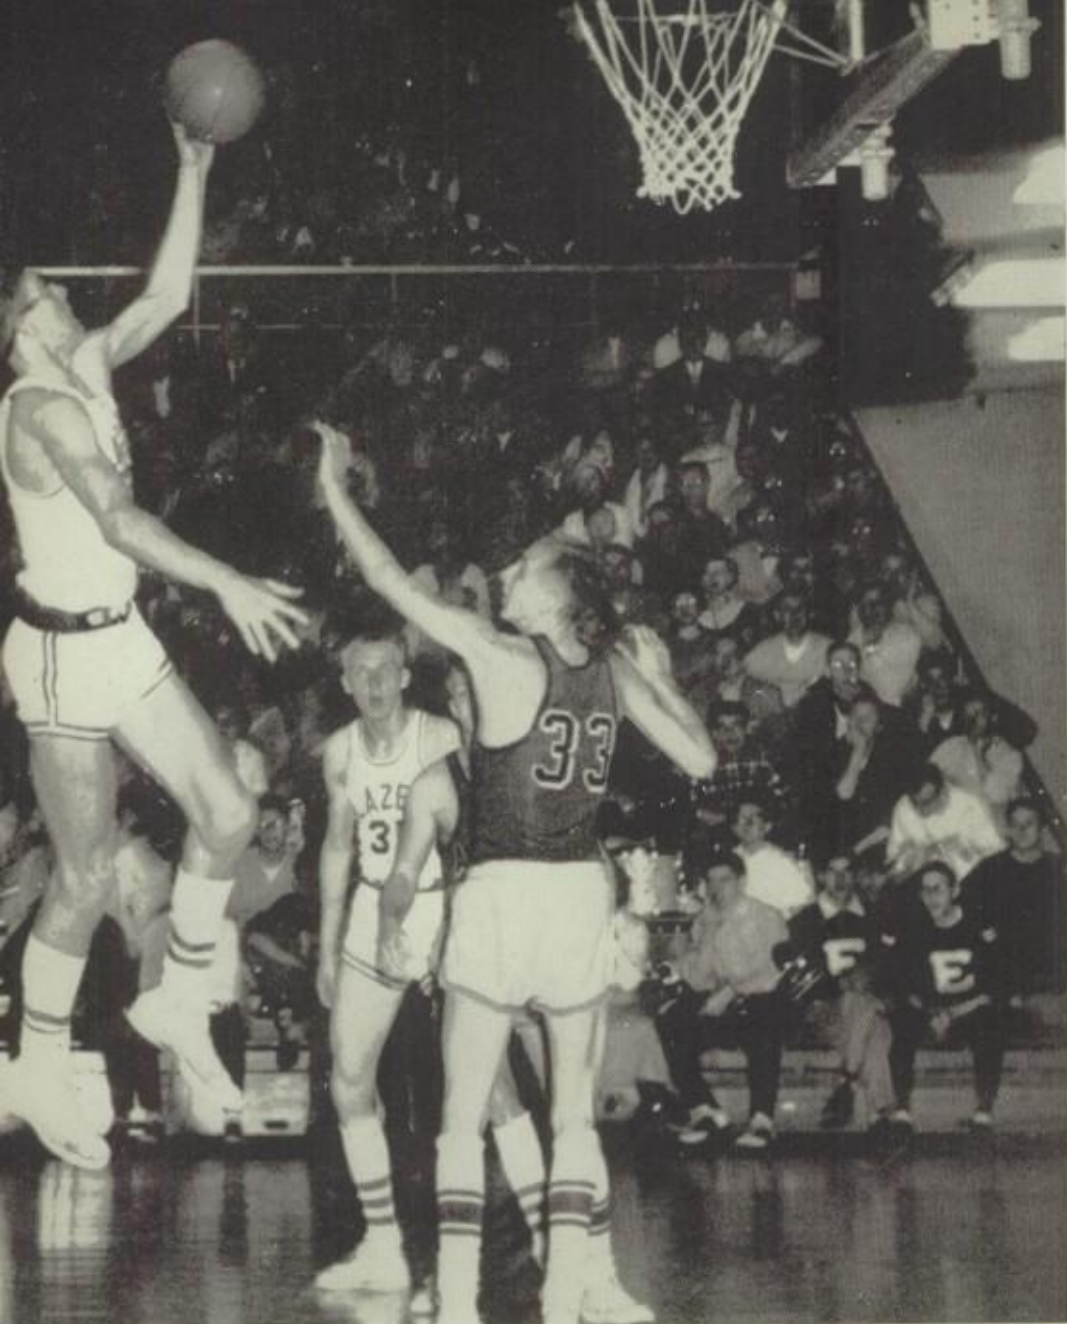

Members of the fall tennis and cross-country teams, along with their coaches, Charles Walker for tennis and Matt Ronzone for cross-country, were also introduced.

All in all, it was a fine finish to a rather dismal football season at EHS.

Next August at Rice Field, Coach Jan will welcome nine lettermen in hope of improving this year's record. As usual, the Blazers will face a tough ten-game schedule starting in early September.

Off to a Good Start, Blazers Win First Four

The Elkhart Blue Blazer basketball team opened its 1955-56 season November 24, against the East Chicago Roosevelt Rough Riders at the North Side gym. Dennis Tepe led the Blazers to a triumph with a 24 point scoring spree.

The following Friday, the Blazers made it 33 in a row over arch-rival, Goshen, with a 70-46 victory. The Elkhart attack was led by Ted Luckenbill and Dave Kollat with 29 and 17 points respectively.

The next night the Blazers swamped the Terre Haute Wiley Red Streaks, 68-34, as Ted Luckenbill again led the way with 26 points.

In their first ENIHSC game fans began to look at Coach Bell's starting five with new respect as they dropped state-rated, LaPorte, 66-60.

On December 14, the Blazers traveled to Logansport where they suffered their first defeat of the season at the hands of the Logan Berries 74-61.

Two days later the Blazers out-fought a bigger Mishawaka team to win their second conference game 73-55.

The Blazers had very little trouble in their quest for victory number six over-running the Frankfort Hotdogs 60-44. The highlight of the game was Dave Kollat's 65 foot basket at the end of the second quarter.

Back again on their home floor at the North Side gym, the Blazers fought an up-hill battle before nipping Muncie Central 51-49. The Blazers trailed throughout most of the game before forging into the lead with only seconds remaining.

The second annual Elkhart holiday tourney pitted Elwood against Elkhart in the opener, which the Blazers won handily 74-54, as Dick Barkman banged in 19 points. In the second game, state-rated Seymour, walloped Mishawaka, 67-51.

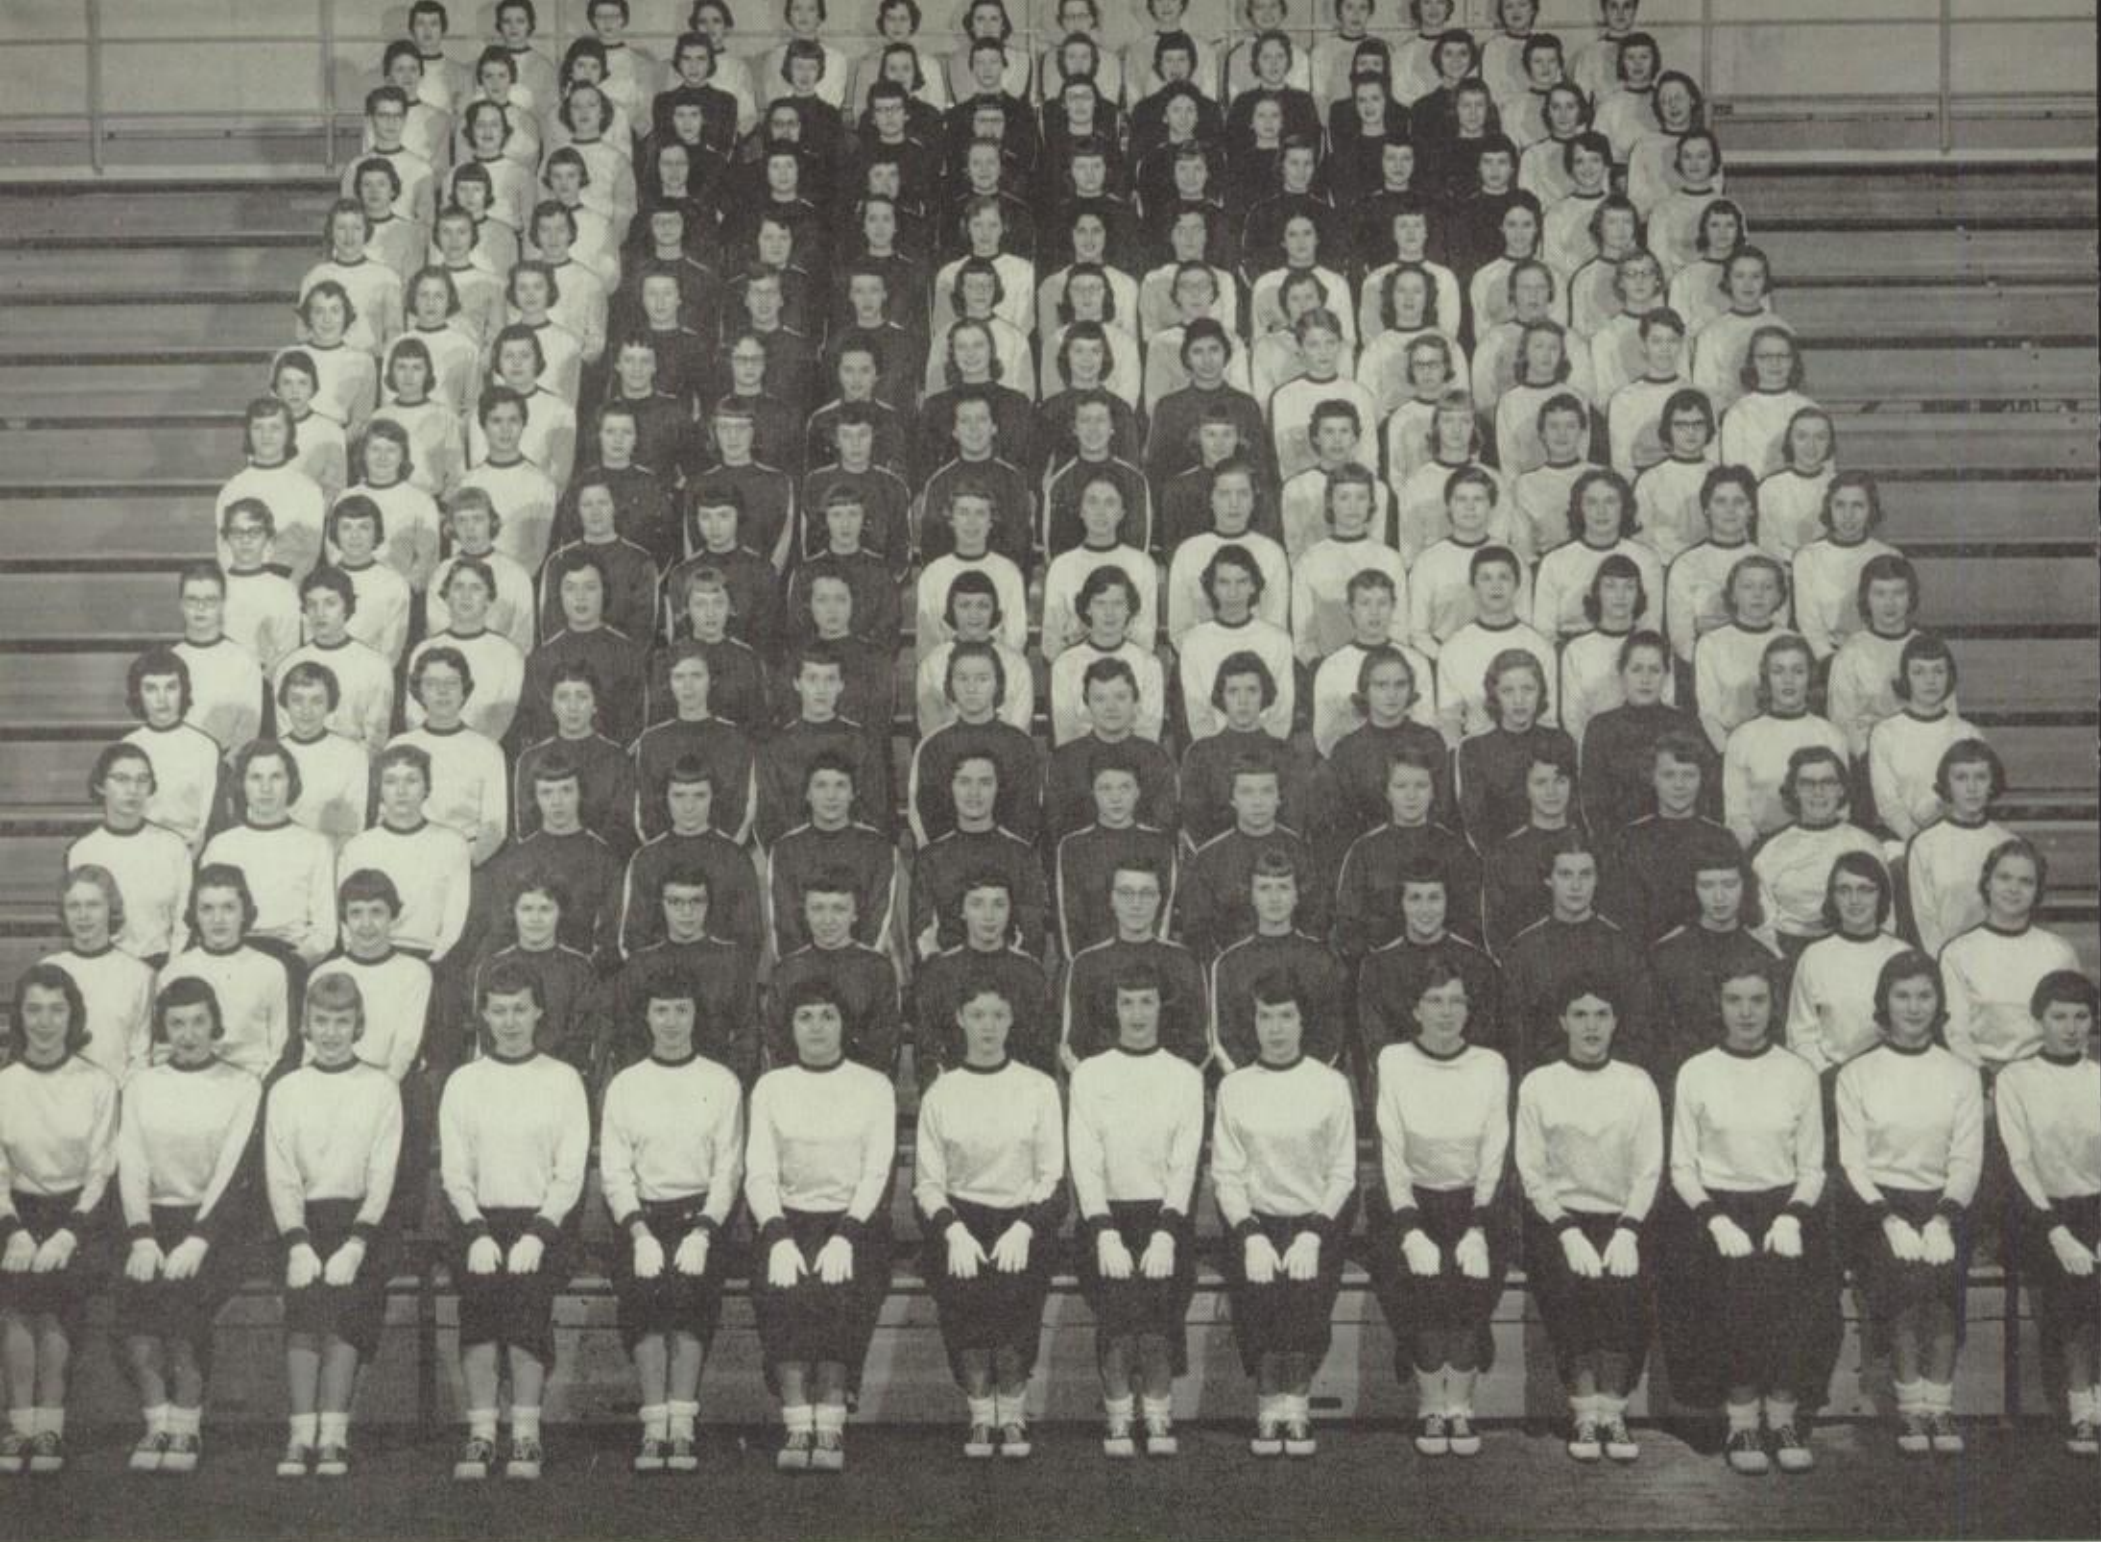

The Blazers best effort of the season came in the championship game as the Blazers battled to a last second victory with Dave Kollat's long one-hander providing the margin of Victory.

Dennis Tepe and Dave Kollat combined for 43 points to lead the Blazer attack.

BACKING THE BLAZERS . . . GIRLS, GIRLS, GIRLS

On January 6, the Blazers returned to conference action to defeat South Bend Washington, 65-53. Ted Luckenbill led the Blazers with 22 points.

One week later Elkhart squeaked past Michigan City 54-51. After trailing most of the game, Elkhart finished with a fourth quarter spurt that put the game out of reach of the Devils.

The following night the Blazers downed Auburn, 70-51, as Dick Barkman scored 21 points.

In their next game the Blazers defeated an inspired Fort Wayne North team 63-60. All of the Blazer regulars hit in double figures with Barkman leading the way with 18.

This year's varsity cheerleaders: Lynn Bowers, Pam Pauley, Sonja Whitehead, Jann Miller, Jean Ann Rentsch.

INDIVIDUALS SHOW IMPROVEMENT

Dave Kollat and Ted Luckenbill led the Blazers to their thirty-fourth straight victory over Goshen with 21 and 19 points respectively. Score, 68-52.

The Lafayette Jefferson Broncos tossed in 42 points in the second half to topple a ten-game Blazer winning streak 63-53. Although out-scored from the field by three baskets, the Broncos hit 25 of 31 free throws for the margin of victory.

Next, with Dick Barkman having his best night of the year, contributing 28 points, the Blazers swamped South Bend Riley 79-52. Travis Burleson and Ted Luckenbill added 16 points each to the Blazer cause.

Warsaw's surprising Tigers overcame a 16-point Blazer lead in the third quarter to score a king-sized upset over the state-rated Blazers. The Tigers hit 46% of their shots to register the 59-52 victory.

The Blazers downed South Bend Adams 90-70 in their best offensive effort of the season. All five of the Elkhart regulars scored in double figures as the Blazers hit 46% of their shots from the field and 32 of 39 free throws.

After cinching the conference championship with the victory over Adams, the Blazers were soundly beaten 77-62 by South Bend Central in the final game of the season. The Bears hit a phenomenal 56% of their shots which left little doubt about the outcome of the game.

February 22 the Elkhart Blue Blazers opened their 1956 sectionals by defeating Shipshewana Scott 63-50. Dave

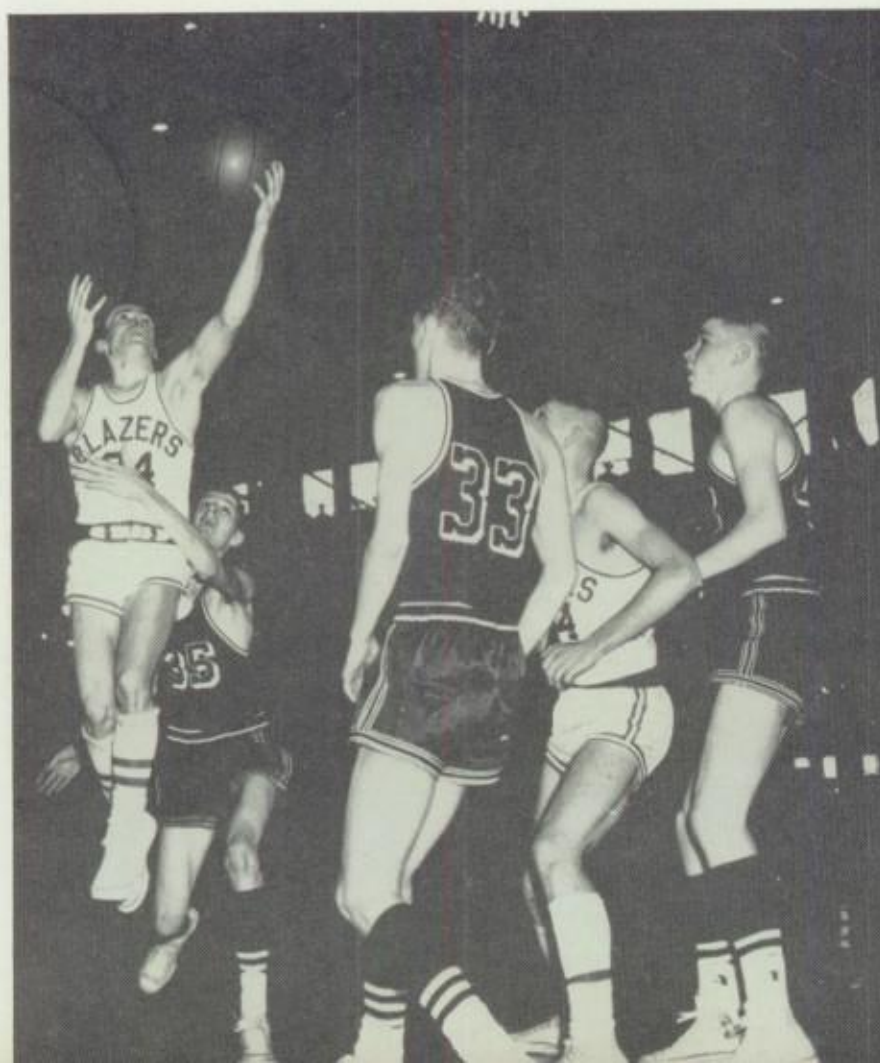

Kollat jumps for two points.

Kollat, Dennis Tepe, and Ted Luckenbill led the Blazer attack with 14, 14, and 12 points respectively.

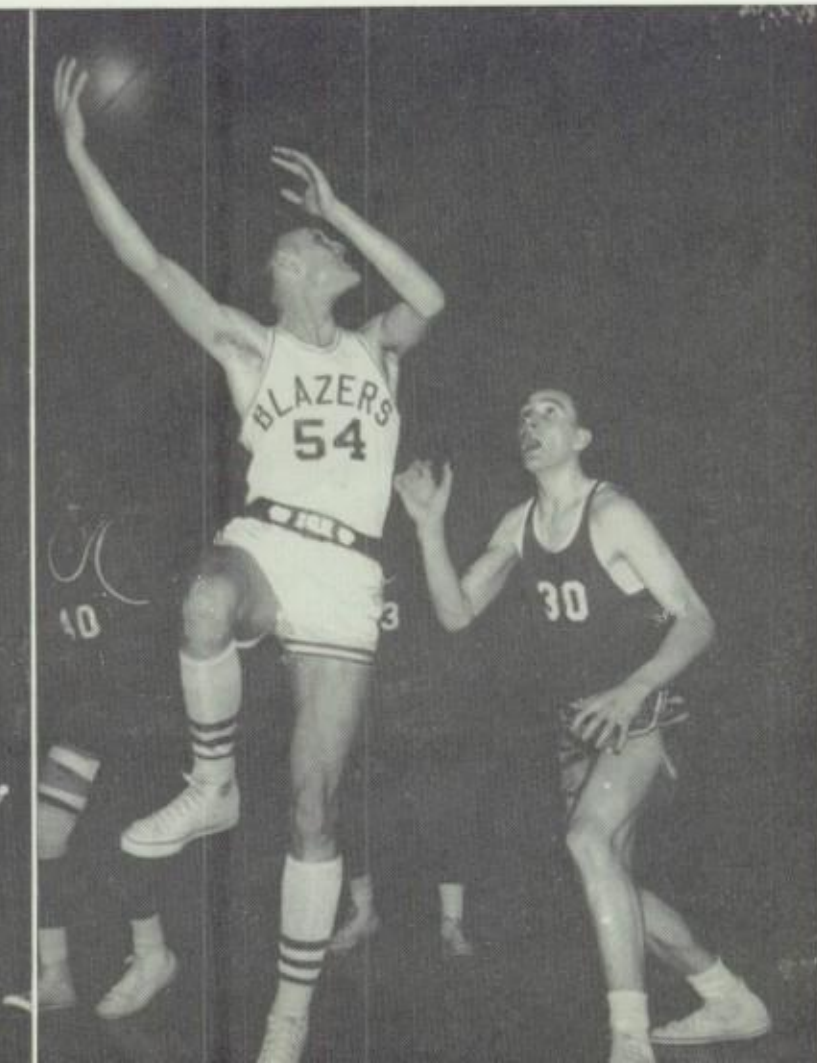

In their second sectional encounter, the Blazers slaughtered Millersburg 55-27 as all ten of the Blazers saw considerable action. Elkhart was led in scoring by Ted Luckenbill who tallied 22 points.

the most exciting sectionals held in this area for many years. The Middlebury Middies, displaying deft ball handling and fine shooting, led throughout most of the game. Middlebury hit a terrific 52% of their shots and the Blazers hit a good 42% of their shots. Elkhart was led by Kollat and Luckenbill with 12 points each.

A break in the final 30 seconds of the game gave the Blazers the Victory as Travis Burleson intercepted a Middle pass and hit the winning basket making the final score 37-35.

The next step along the tournament trail was the regionals, March 3, which the Blazers won only after two very close battles.

In the afternoon games Elkhart defeated Lapaz, 71-55, and South Bend Central downed Warsaw 51-48.

In this regional contest, the Blazers had a terrific first half against the Vikings, as they scored 30 points in the second quarter to lead 46-19 at the half.

The Vikings changed the game from a complete rout to a respectable contest as they outscored the Blazers 36-25 in the second half by employing a very closely-knit press defense against the Blazers.

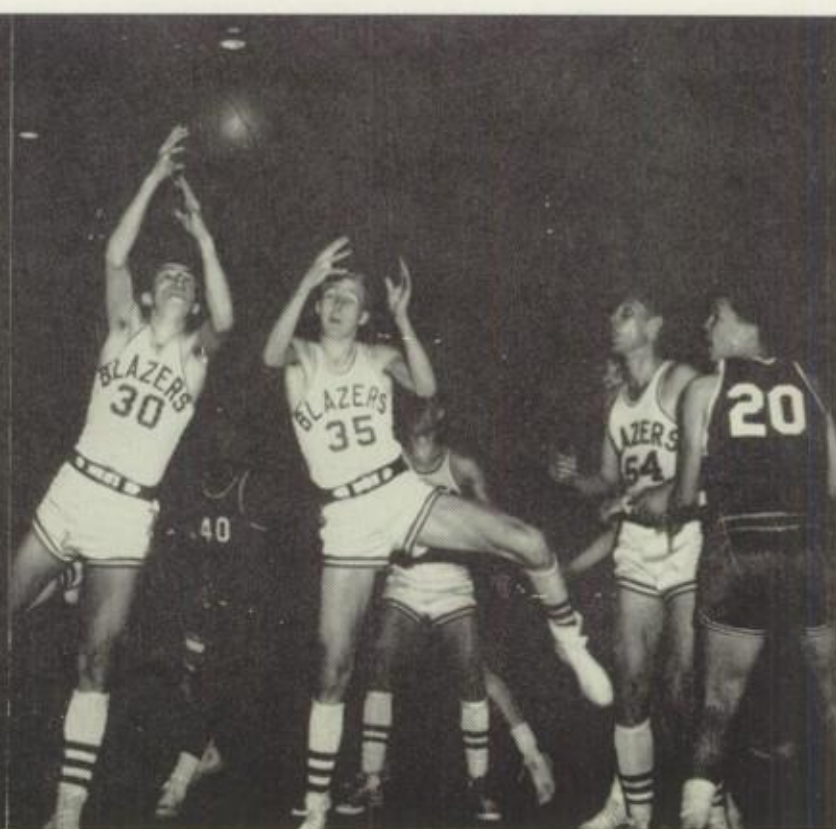

That evening Elkhart met the South Bend Central five in a thrilling contest. After trailing by nine points, late in the second quarter the Blazers came back with a blazing second half and pulled away to win 59-53.

The Bears managed to get within four points of the Blazers several times during the second half but the Blazer's

well balanced attack was too much for Central.

For the Blazers, Barkman and Kollat led the scoring with 16 points apiece. Burleson and Tepe had 10, while Luckenbill gathered 7, proving again as they have all season that team co-ordination and balance is a tremendous factor in Elkhart's success.

Moving into the semi-finals at Fort Wayne, the Elkhart Blue Blazers won their 22nd game of the season in the second game, with a spine-tingling 72-69 victory over the Marion Giants.

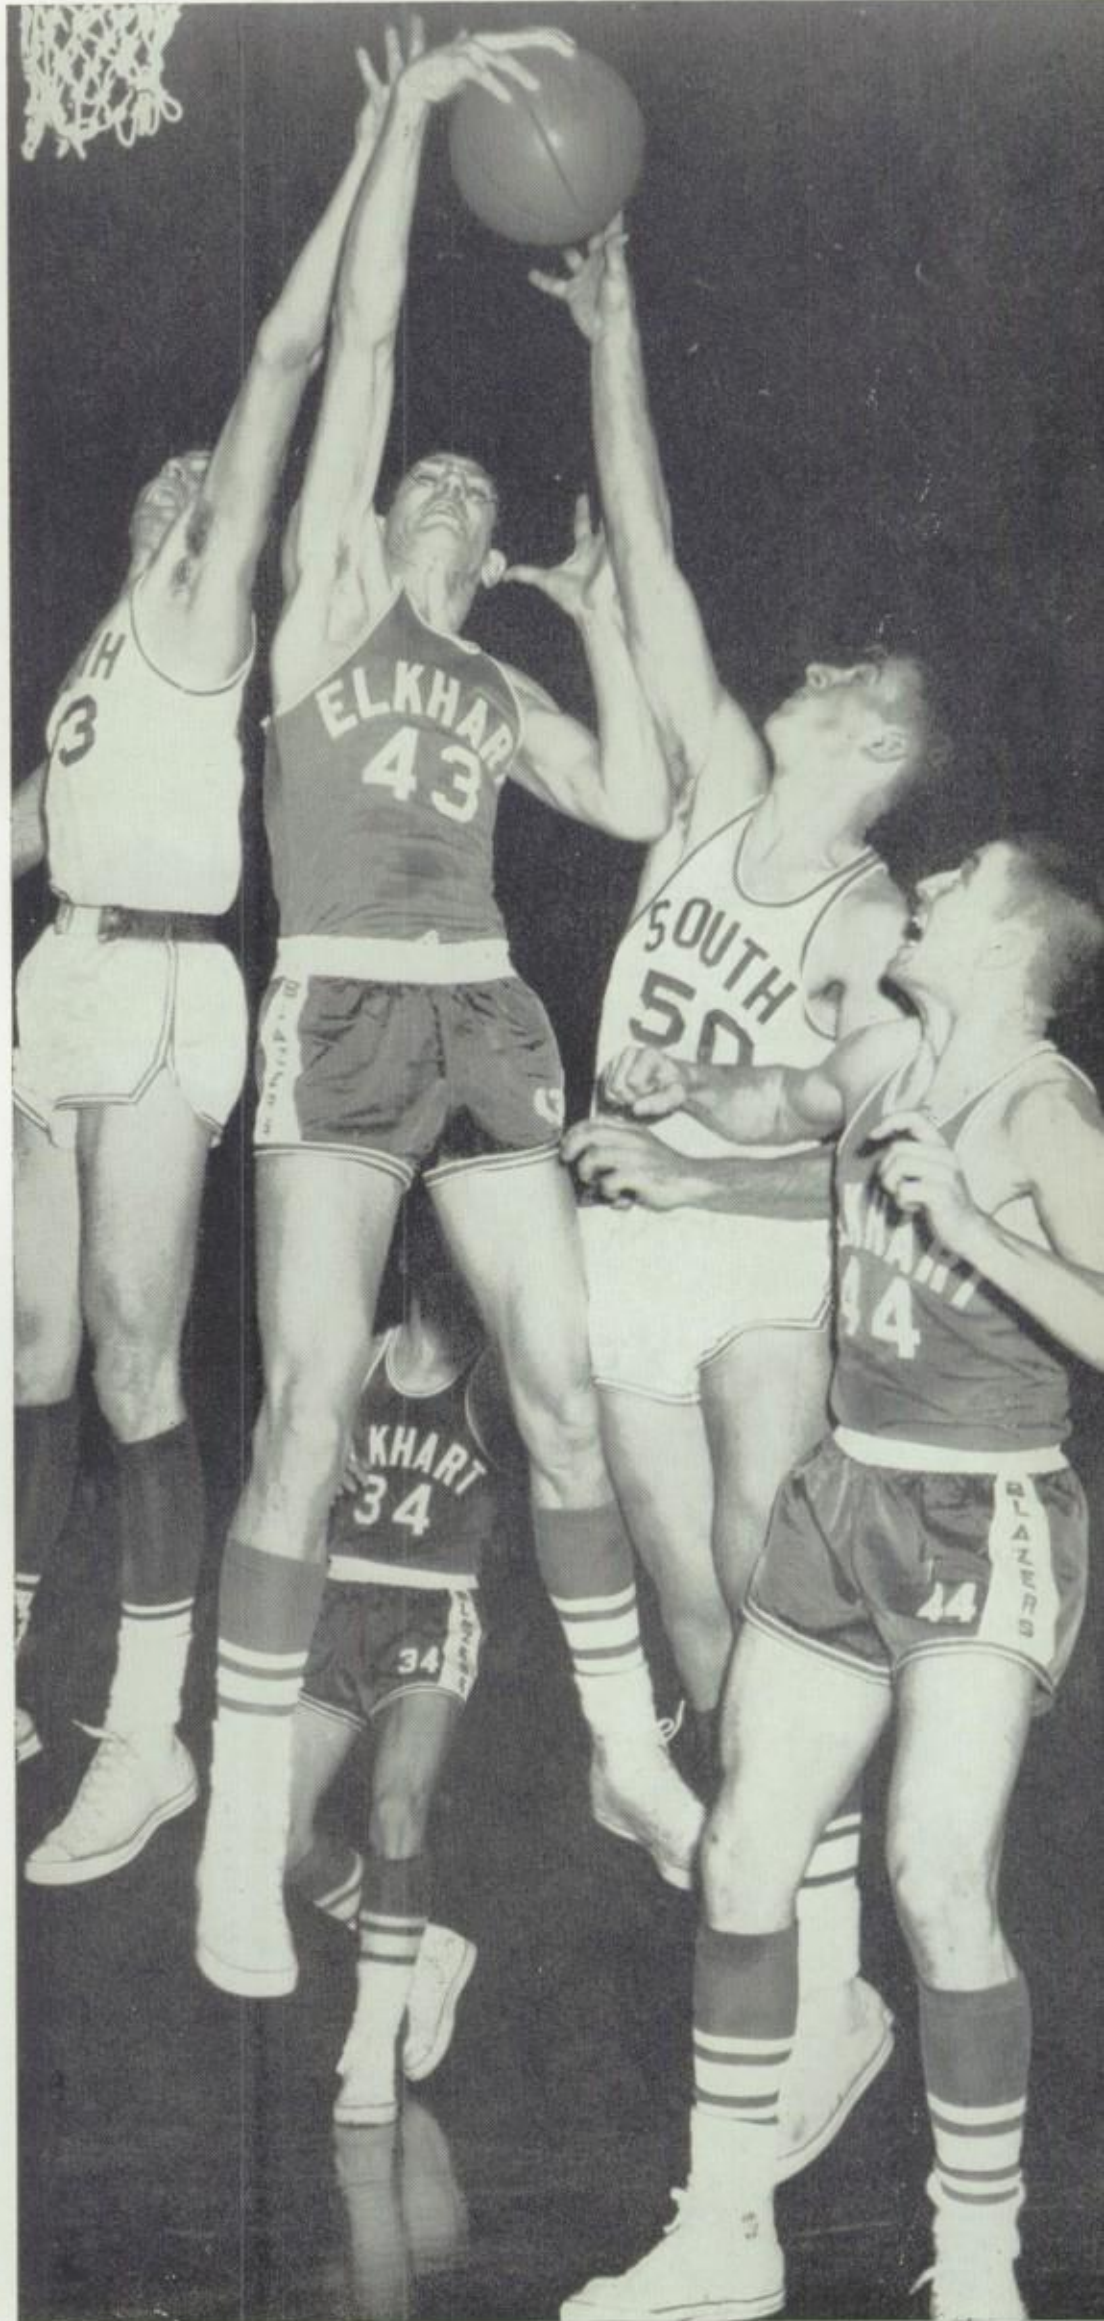

Marion employed a very effective press defense throughout most of the game, which kept the contest close and had the Blazers on their toes all of the time.

Travis Burleson again came through in the clutch as he hit two free throws in the last 20 seconds to "ice" the contest.

Four of the Blazers hit in double figures; Burleson led the way with 20 followed by Tepe and Luckenbill with 18 each and Barkman with 13 points.

70-64 in the championship game of the Fort Wayne semi-finals.

The Blazers, sparked by the brilliant first half shooting of Burleson and Kollat, threatened to turn the game into a complete rout by romping to a 36-23 halftime score.

In the third quarter South employed an old Blazer nemesis, the full court press, and broke loose for nine straight points.

With the fourth quarter came seemingly bad luck as Ted Luckenbill and Dick Barkman both fouled out. But Toby Kidder and Ken Hudkins came off the bench to play superb ball. Kidder contributed 8 points and Hudkins 4, to the Blazer cause.

On March 17 at the Butler Fieldhouse in the state finals, the Blazers were edged 54-52 by a crafty Lafayette Jeff team.

The game was one of the most exciting seen in many years of tournament play. The score was tied 13 times and the lead changed hands 13 times before Jeff finally ended up on top.

The Blazers played the smoothest game of any of the teams during the day, committing only four errors, and although they lost the game on free throws, they were not out played, showing a better percentage of field goal shooting, while playing a clean hard game.

The rousing welcome home given Coach Bell and the team showed that the community felt proud of the Blazers.

Burleson hits a close one.

HONORS, CHAMPIONSHIPS END SUCCESSFUL SEASON

Between 400 and 500 persons attended the Jaycees annual banquet honoring E.H.S.'s 5-title basketball team on March 29.

All four of the Blazer seniors shared in the honors. Dennis Tepe, the only EHS player in history to play in two state final games, received the highest individual basketball honor, the Arthur L. Trester Award; Travis Burleson was chosen honorary team captain; Dave Kollat received the Paul Emmert free throw trophy with a 70.3 average, and Dick Barkman was voted the Most Valuable Player Trophy by his teammates.

However, the seniors were not the only ones honored. Max Bell was voted Coach Of The Year by the sportswriters and casters of the state. Ted Luckenbill, Dennis Tepe and Dick Barkman were picked on the all-state team and will receive white sweaters. Tom McDowell won the B-team free-throw medallion.

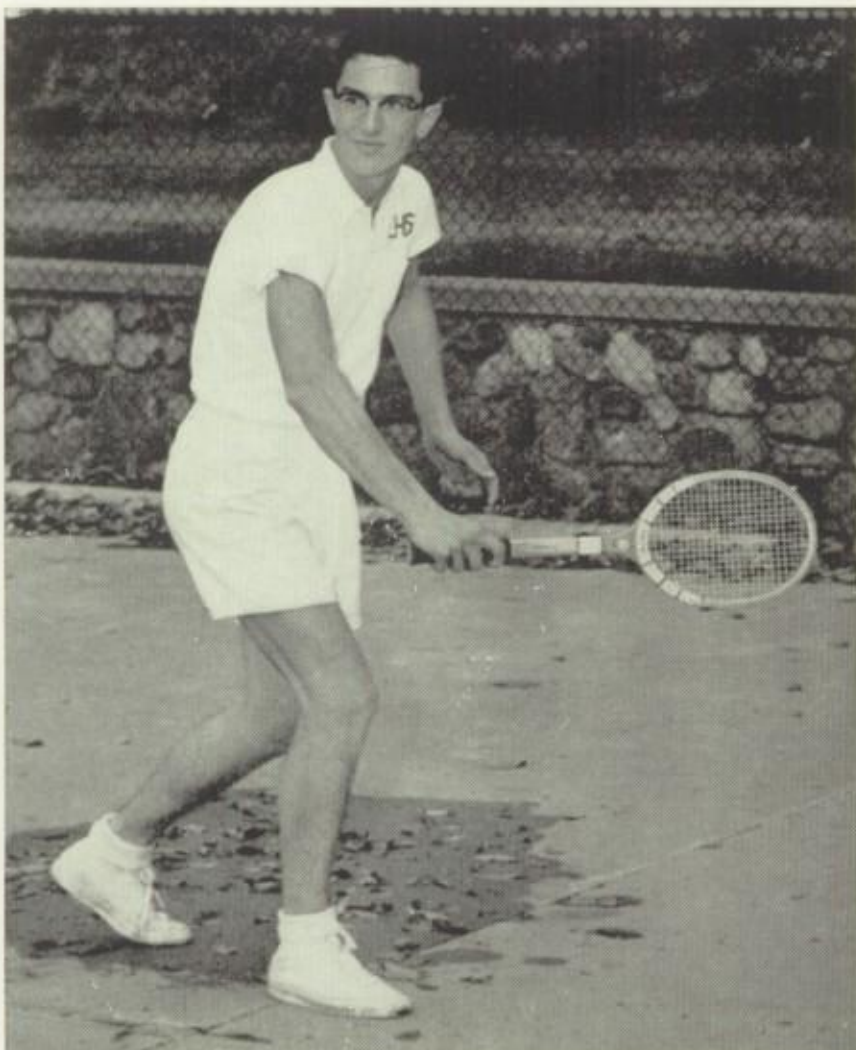

All five of the Blazer starters finished the season with a double digit average, accounting for a large part of team's success. At the end of the season the Blazers owned an unbeaten home floor record of 18 straight victories. All in all, the banquet was a fine finish to terrific basketball season at EHS.

Athletic commissioner L. V. Phillips congratulates Dennis Tepe for winning the Trester Award and Max Bell for being named Coach of the Year.

GREEN NETTERS SHOW PROMISE

The 1955 tennis team was made up entirely of underclassmen. Coach Charlie Walker had only one returning letterman, Dan Seng, from last year.

In their first three meets the netters were dropped by LaPorte, South Bend Central and Michigan City 5-0.

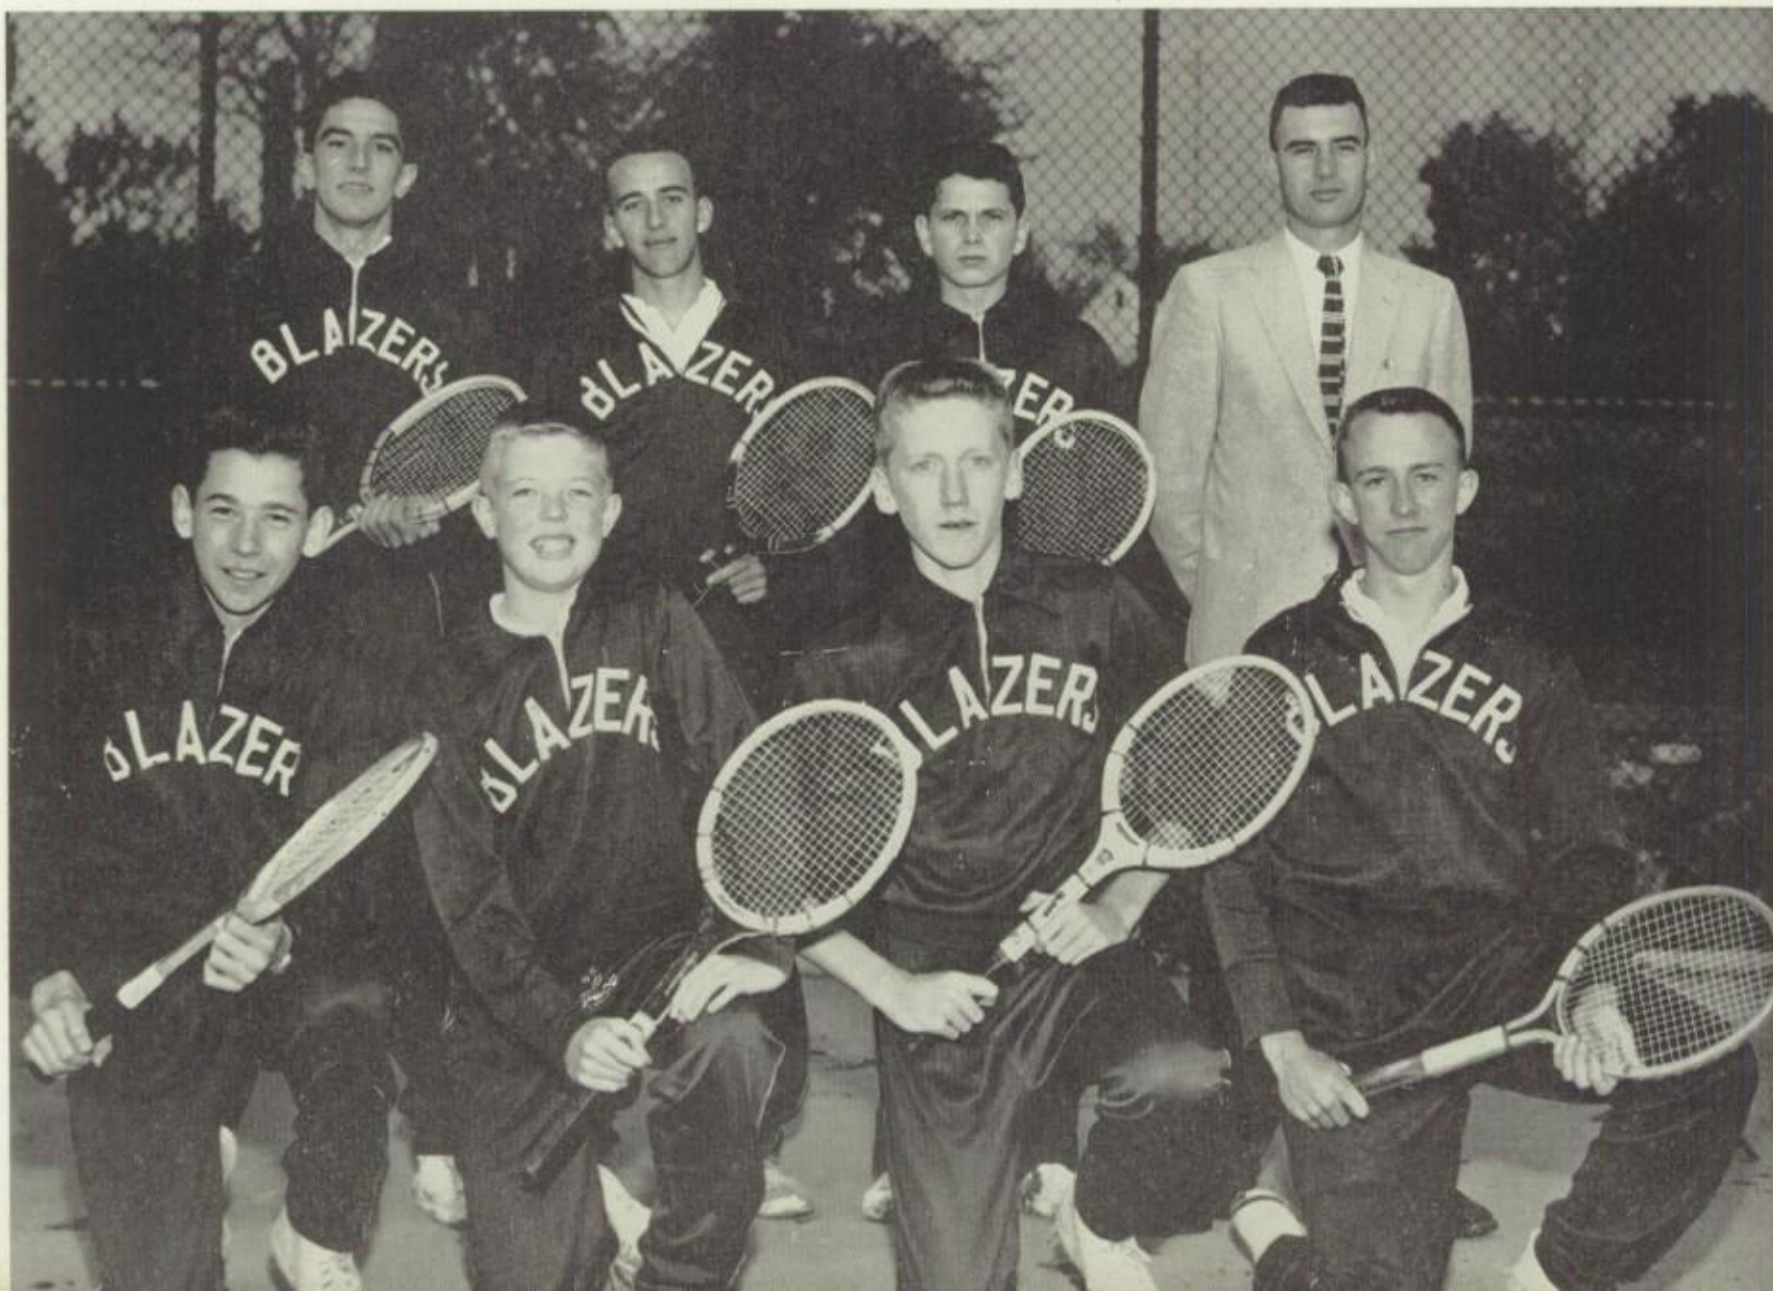

Not discouraged by these defeats, Dan Seng, Dave Till and Denny Flora won their singles matches with Mishawaka and led the team to a 3-2 victory.

Although losing their last five matches, the netters managed to work out strong doubles combinations which will aid them greatly next year.

On their big trip of the year the team proved that these defeats had taught them a great deal. At Kalamazoo, against a team at the top of the Michigan conference ladder, the Blazers took two of the seven matches.

Coach Walker looks forward to next year, since he will have five returning lettermen: Dan Seng, Dave Till, Denny Flora, Bob Martin and John Lundquist.

Tennis squad: Bottom row, Bob Martin, John Lundquist, Bud Ernst, Ron Fields. Top row, Dan Seng, Dave Till, Jack Flora, and Coach Charley Walker.

Cross country squad: bottom row, left to right, L. Goodrich, R. Dalrymple, B. Shupert, D. Reed, R. Whitehead, J. Troyer, E. Welter, M. Degeyer; second row: R. Minichillo, D. Kleinfeldt, G. Harper, L. Higgins, D. Roth, D. Kollat, D. Tepe, D. Donovan. Top row: T. Burle-

HARRIERS WIN SIX MEETS

Early this fall coach Matt Ronzone greeted thirty boys who were to represent Elkhart in cross country. Elkhart opened its season at LaPorte in a triangular meet with the Slicers and Mishawaka. Elkhart dumped LaPorte 20-42, but lost to Mishawaka 19-40.

The Blazers first home meet was December 29, against Fort Wayne North Side and South Bend Central. Elkhart lost to North Side 19-37, but edged Central 27-32.

Benton Harbor visited Elkhart on October 4, and lost to the Blazers 20-43. October 6, the Thinlies journeyed to Michigan City for a triangular meet with City and Goshen. Elkhart lost to City 15-42, but dropped Goshen 20-43. Next the Blazers hosted Niles in a dual meet in which the Blazers won 25-36. On October 13, the Blazers closed their regular season by spilling South Bend Adams 15-47, and losing to South Bend Riley 18-43.

Elkhart went to LaPorte to compete in the N.I.H.S.C. meet and placed eighth out of 22 schools. In the sectionals the Blazers finished eighth out of 20 schools.

The leading runners for Elkhart were Dave Kollat, John Gildea, and Capt. Dennis Tepe. The outlook for next year looks very good with seven returning lettermen to the harrier squad.

TRACK TEAM FACES STIFF SLATE

Upon opening this year's track season, Coach Matt Ronzone was faced with the problem of building a winning team after losing many outstanding runners from last year's state runnerup team.

Opening the season with only five returning lettermen John Gildea, Dennis Tepe, Dick Garritson, Doug Klaus, and Captain Neal Sawyer. The biggest job facing the Blazers was to defend their state championship in the mile relay, a title which they have held for the past two years.

Several big meets were scheduled for Elkhart, including the ENIHSC meet, the East and West IHSC meet, and the sectionals.

BASEBALL SQUAD INCLUDES EIGHT RETURNING LETTERMEN

The baseball team began outdoor practices on March 28 with Coach Bob Ehrsam welcoming back eight returning lettermen.

Back to hold down two outfield posts were Larry Randall and Jack DeShone, along with first year man, Jim Bartlett, the leading candidate for the other outfield position.

The infield is made up entirely of returning lettermen. Earl McLaughlin, a third baseman; LeVar Johnson, a second baseman and shortstop; Ken Hudkins, a shortstop and third baseman; Dave Kollat, a second baseman, and Toby Kidder, a first baseman, all won letters at these posts the previous years.

George Fortino and Evan Mollenkopf, two first year men, alternate the catching chores.

Travis Burleson, a two-letter winner, was the only returning pitcher. Travis had a three and one record last year. Several promising prospects up from the B-team help Burleson with the pitching chores, Pringle being one.

Chances for finishing high up the conference ladder were considered good at the beginning of the season. The team faced a stiff seventeen game schedule including a twelve game conference slate. The Blazers played all 17 of their games in the space of only 33 days.

Returning Lettermen: Larry Randall, Dave Kollat, LeVar Johnson, Coach Bob Ehrsam, Trav Burleson, Toby Kidder, Jack DeShone, Earl McLaughlin and Ken Hudkins.

E MEN AMASS HIGH TOTAL IN POLIO DIME LINE

Every major letterman in sports or in managing is a member of the Varsity Club, which meets every second and fourth Tuesday of the month in the gym.

All members must uphold the purposes of the club: to direct the club's highest loyalties and services to the school; to encourage the best effort of any athlete in sports, in scholastic standing and in citizenship; to encourage a closer fellowship among players; to join in solving team problems; to direct the club's highest boy athletes to the school rather than to any group of persons; and to develop a high standard of school and mental morale.

Upon earning his first major letter, any athlete is eligible to join the club. An E Man may earn his major letter in a number of ways. In football, the athlete must play 14 quarters. In basketball he must play regularly with the varsity squad. In track a boy must make 15 points in varsity meets. Baseball, cross country and tennis have similar systems. With the earning of his first letter, a boy may buy an E jacket.

The club's activities included an open house for all present and past lettermen at Northside gym during Christmas vacation, a dime line for the March of Dimes and a picnic and dance in the spring near the close of the school year for all varsity club members, their parents and dates.

Mr. Glen Silcott is sponsor of the Varsity Club. All coaches are honorary members.

G.A.A. SPONSORS GIRLS' SPORTS

The purpose of the Girls' Athletic Association is to offer facilities, organization, and instruction in a variety of activities in order that each girl can participate in some form of physical recreation.

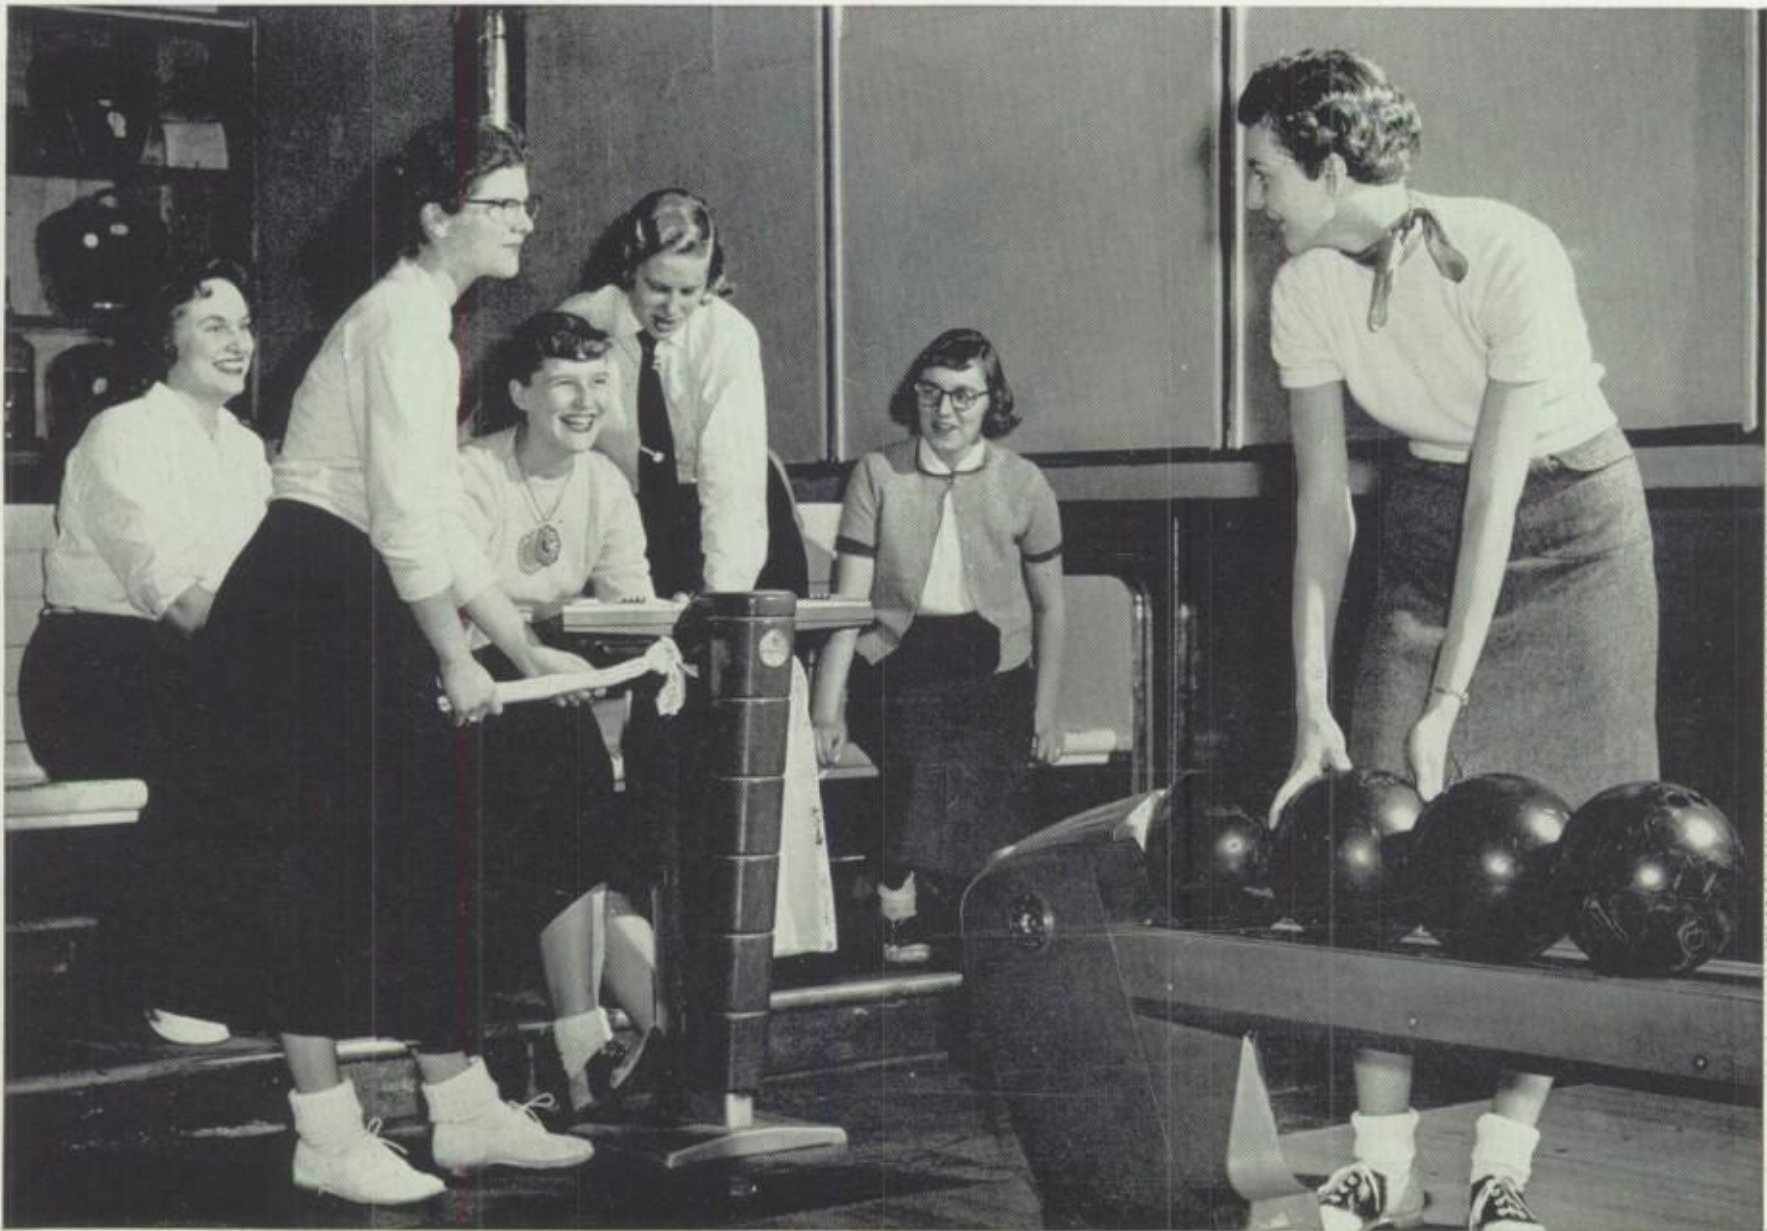

This year members of the club traveled to the State Leadership Training Camp, to Madison and South Bend Central for volleyball games, to a weekend camp and to the Plaque Playday at Indiana State Teachers College.

Other activities included the District Basketball Playday, in which the Elkhart G.A.A. was host and two ice-skating parties. The association also provided an opportunity for the girls to bowl each Thursday after school.

Each year the G.A.A. ends its activities with a banquet at which awards are made. The first letter a girl wins is a blue E with the club name; the second, a white E. Senior members are especially honored.

Miss Mary Kendall is the sponsor of this club.

Gayle Zentz, JoAnn Kuehl, Gail Troyer, Sharon Marshall, Delicia Overholser, Phyllis Cripe.

Doorways to friendship . . .

All of us came in through these doorways to tomorrow. In classrooms, in activities, we worked and learned together. We ate lunch together, went to meetings together, and studied together. Each day we learned a little more about getting along with people. Out of this came the friendships which provided the sympathy, the understanding, and the enjoyment that make our high school days unforgettable.

Through the open doors, you'll find all of us.

THE ABLE ADMINISTRATORS

Few of the students at EHS have the pleasure of knowing our superintendent, J. C. Rice, personally. But those who do, know him to be friendly and helpful.

He is a genial man, but most of all, he is an efficient administrator. He has the immense task of interpreting the school program to the public so that tax funds are available to maintain the status of our present schools and to build new schools.

Mr. Rice is a leader not only in our schools, but also in civic and church affairs. He believes in uniting the schools and the community so that they function together.

Mr. Wollenweber is responsible for supervising the custodial care of 17 schools, and their maintenance; such as, painting, clocks, furniture, supplies and school playgrounds.

Mr. Burns manages the business affairs of our schools. It is he who buys the textbooks and other supplies, and handles all the extra-curricular funds.

Mr. J. C. Rice, our Superintendent of Schools.

Mr. Maurice Burns, Mr. William Wallenweber.

WHO CONDUCT THE BUSINESS OF OUR SCHOOLS . . .

The Board of School Trustees is a group of prominent people in our community who head a corporation known as the School City of Elkhart. It is the important job of these trustees to conduct the business of the Elkhart City Schools.

The school board meets every Monday night to discuss school matters; such as, housing, the welfare of the schools, and the hiring of teachers. They are also concerned with such matters as summer school classes, night school for adults, schools for handicapped children, and custodial care of the buildings.

The School Board is a group of civic minded citizens who devote their time unselfishly to our schools. These Elkhartans deserve a lot of credit for the laudable and efficient job they are doing, but usually they receive only complaints. The Board of School Trustees is a fine example of good citizenship: a group of people giving unselfishly of their time for the betterment of our schools and our community.

Mr. Rice and League presidents, Sue Haines and Morey Mowat.

School Board members: Howard F. Christner, Sr., Chester A. Huffman, Mrs. H. L. Cormican, Stanley A. Raymer, Mr. Eldon F. Lundquist.

THE MEN AND WOMEN WHO

Mr. Woodruff, Ted Fitzsimmons, Dave Kollat.

All of the seniors remember when Woody came to our homerooms this year for brief question-answer periods. We were encouraged to criticize anything that we didn't like and were free to make suggestions for improving our school. This is one of the many ways in which Mr. Woodruff, our principal, works for and with the students to make us feel that this is our school, not his.

Any EHS student who has ever sought Mr. Woodruff's advice appreciates the fact that Woody's door is always open; he is glad to help us with our problems anytime. Woody can be depended upon to give us sincere and helpful solutions to our problems. His informality makes not only students, but also parents and teachers feel comfortable in his presence.

Woody believes in letting the students take part in managing school affairs as is revealed by the fact that there are students on every standing faculty committee; students take part in planning guidance sessions, pep sessions, in buying assembly programs, and in many other activities.

Mr. Woodruff likes to think of every EHS student as a friend and all of us should think of him as our friend. It's people like Woody, together with the faculty, that create the fine spirit of EHS.

Mr. C. P. Woodruff, our principal.

HELP US OPEN THE DOORS TO THE FUTURE . . .

Mr. McHargue, Miss Sharp, Mr. Kauffmann, Miss Jarvis, Miss Deal, Mr. Hart.

Through our years in high school, we have had the assistance of our capable counselors. They have helped us choose the course of study to prepare us for later life.

The seniors have become accustomed to conferring with Miss Deal and Mr. Kauffmann about any and all problems: courses, college plans, or personal problems.

Counselors have the job of preparing course electives for more than 1400 students each year. Although allowed one hour per day for guidance work, their jobs require many, many extra hours, for each has a heavy teaching schedule.

Our assistant principal, Mr. Updike, is always glad to help us decide which college to attend, and what to take there. Mr. Updike advises the seniors on scholarships; he also has charge of the testing program. An efficient administrator, Mr. Updike becomes acting principal in case of Mr. Woodruff's absence or illness.

Mr. Rogers, our dean of boys, is a stern but fair man whose judgment is respected by all who know him. He handles the boy's attendance problems and sponsors the Boy's League.

Miss Shideler, our dean of girls, is a warm and understanding woman who is able to talk to the girls in their own language. Girls' attendance problems are her responsibility. Miss Shideler is the sponsor of the Girls' League.

Miss Shideler, Mr. Rogers, Mr. Updike.

Mr. Davies, off in his private plane.

Yes, teachers are people . . .

While we see our teachers every day in classes and know them best as teachers, most of us know many of our teachers in their more informal moments—moments when they work individually with us on special projects or when they are enjoying their own hobbies and their own families.

HISTORY OF THE CLASS OF 1956

We, the class of '56, began our sophomore year in September, 1953, by meeting new friends, teachers, and subjects. At first we felt lost in the maze of upperclassmen but soon became acquainted.

Our first important job was to get ourselves organized. To lead our class in our activities, we elected class officers: president, Jack Douberteen; vice-president, Dennis Tepe; treasurer, Beverly Wilkinson; secretary, Ted Fitzsimmons; boys' social chairman, Morey Mowat; girls' social chairman, Ruth Raatz. Ruth and Morey planned a good class party, which was held on April 10. Miss Morey and Mr. Harding were chosen as our sponsors. Miss Deal and Mr. Kauffmann were our counsellors.

We began our junior year with the election of class officers. Ted Fitzsimmons was chosen as president, Morey Mowat as vice-president, Susan Haines as secretary, Vince DeDario as treasurer, and Janet Huffman and Dave Bousom as girls' and boys' social chairmen.

On October 12 our class rings arrived. We displayed them proudly, feeling like full-fledged juniors.

Our first big project of the year was presenting the Junior Follies. The theme for the Follies was BEHIND THE FOOTLIGHTS.

Days and months passed quickly. We soon found ourselves preparing for the Junior Class Play. We chose the play ONE FOOT IN HEAVEN and set April 29 as the date of performance. A cast of gifted junior actors showed their ability; others helped behind scenes.

The next, and biggest, event of the year was the Junior-Senior Prom which was held on May 12. We met the challenge of decorating the new Northside Gym successfully by creating an EVENING IN PARIS theme with wall murals,

Senior class sponsor, Mrs. Fox.

Seated: Don Weaver, vice-president; Bev Wilkinson, girls' social chairman; Peggy Veatch, secretary.

sidewalk cafes and a replica of the Eiffel Tower. We felt that the first prom in the new gym was a great success.

Last fall we started our senior year. We were sorry to see Miss Morey leave after working with her for two years. However, Mrs. Fox capably began working with Mr. Harding and the senior class.

Our first big project was our class play, *YOU CAN'T TAKE IT WITH YOU*. We all worked hard, since this was our last chance to help swell our class finances. The play was performed successfully by a talented cast.

At the end of the first semester we all gave a sigh of relief. Some of us were beginning to feel that we wouldn't be as eager to leave EHS as we had anticipated. We had

become quite attached to our school and our teachers, in spite of our petty mumblings.

The first week in March we had our last senior party, the *LAST CLASS BLAST* at Studebaker Park. It was well-planned and well-attended.

As Commencement drew near, clothes and activities were a constant source of worry and conversation. We found ourselves getting busier and busier as the days flew past.

Then came Senior Day, Senior Tea, Senior Banquet, and at last Commencement, a truly happy climax to a busy three years. As we turned in our caps and gowns, we were sad to close the happiness we had known as the class of '56.

HISTORY OF THE CLASS OF 1957

It was a great thrill to come back to EHS this year. We weren't the youngest anymore. Now the sophs looked up to us, and even the seniors began to act as if we were fit to associate with.

As September and October hurried by, we organized our old gangs, joined new clubs, went to pep sessions, supported our teams and went to the Y-dances.

Mrs. Swhier and Mr. Addison were back to guide us in planning our important class activities. To help them, we elected the following officers: Mike Plank, president; John Gildea, vice-president; Bonnie Darling, secretary; Wally Wells, treasurer; Jean Amsden, girls' social chairman; Lance Hayes, boys' social chairman.

We hurriedly started to work on our Follies, SAINTS AND SINNERS. To carry out the theme, actors and chorus line dressed in costumes fitting the title. On the night of October 15, we worried over all the last-minute details: spotlights, props, curtains and audience. Then, as the footlights dimmed, we watched our talent perform and realized that our Follies were a hit.

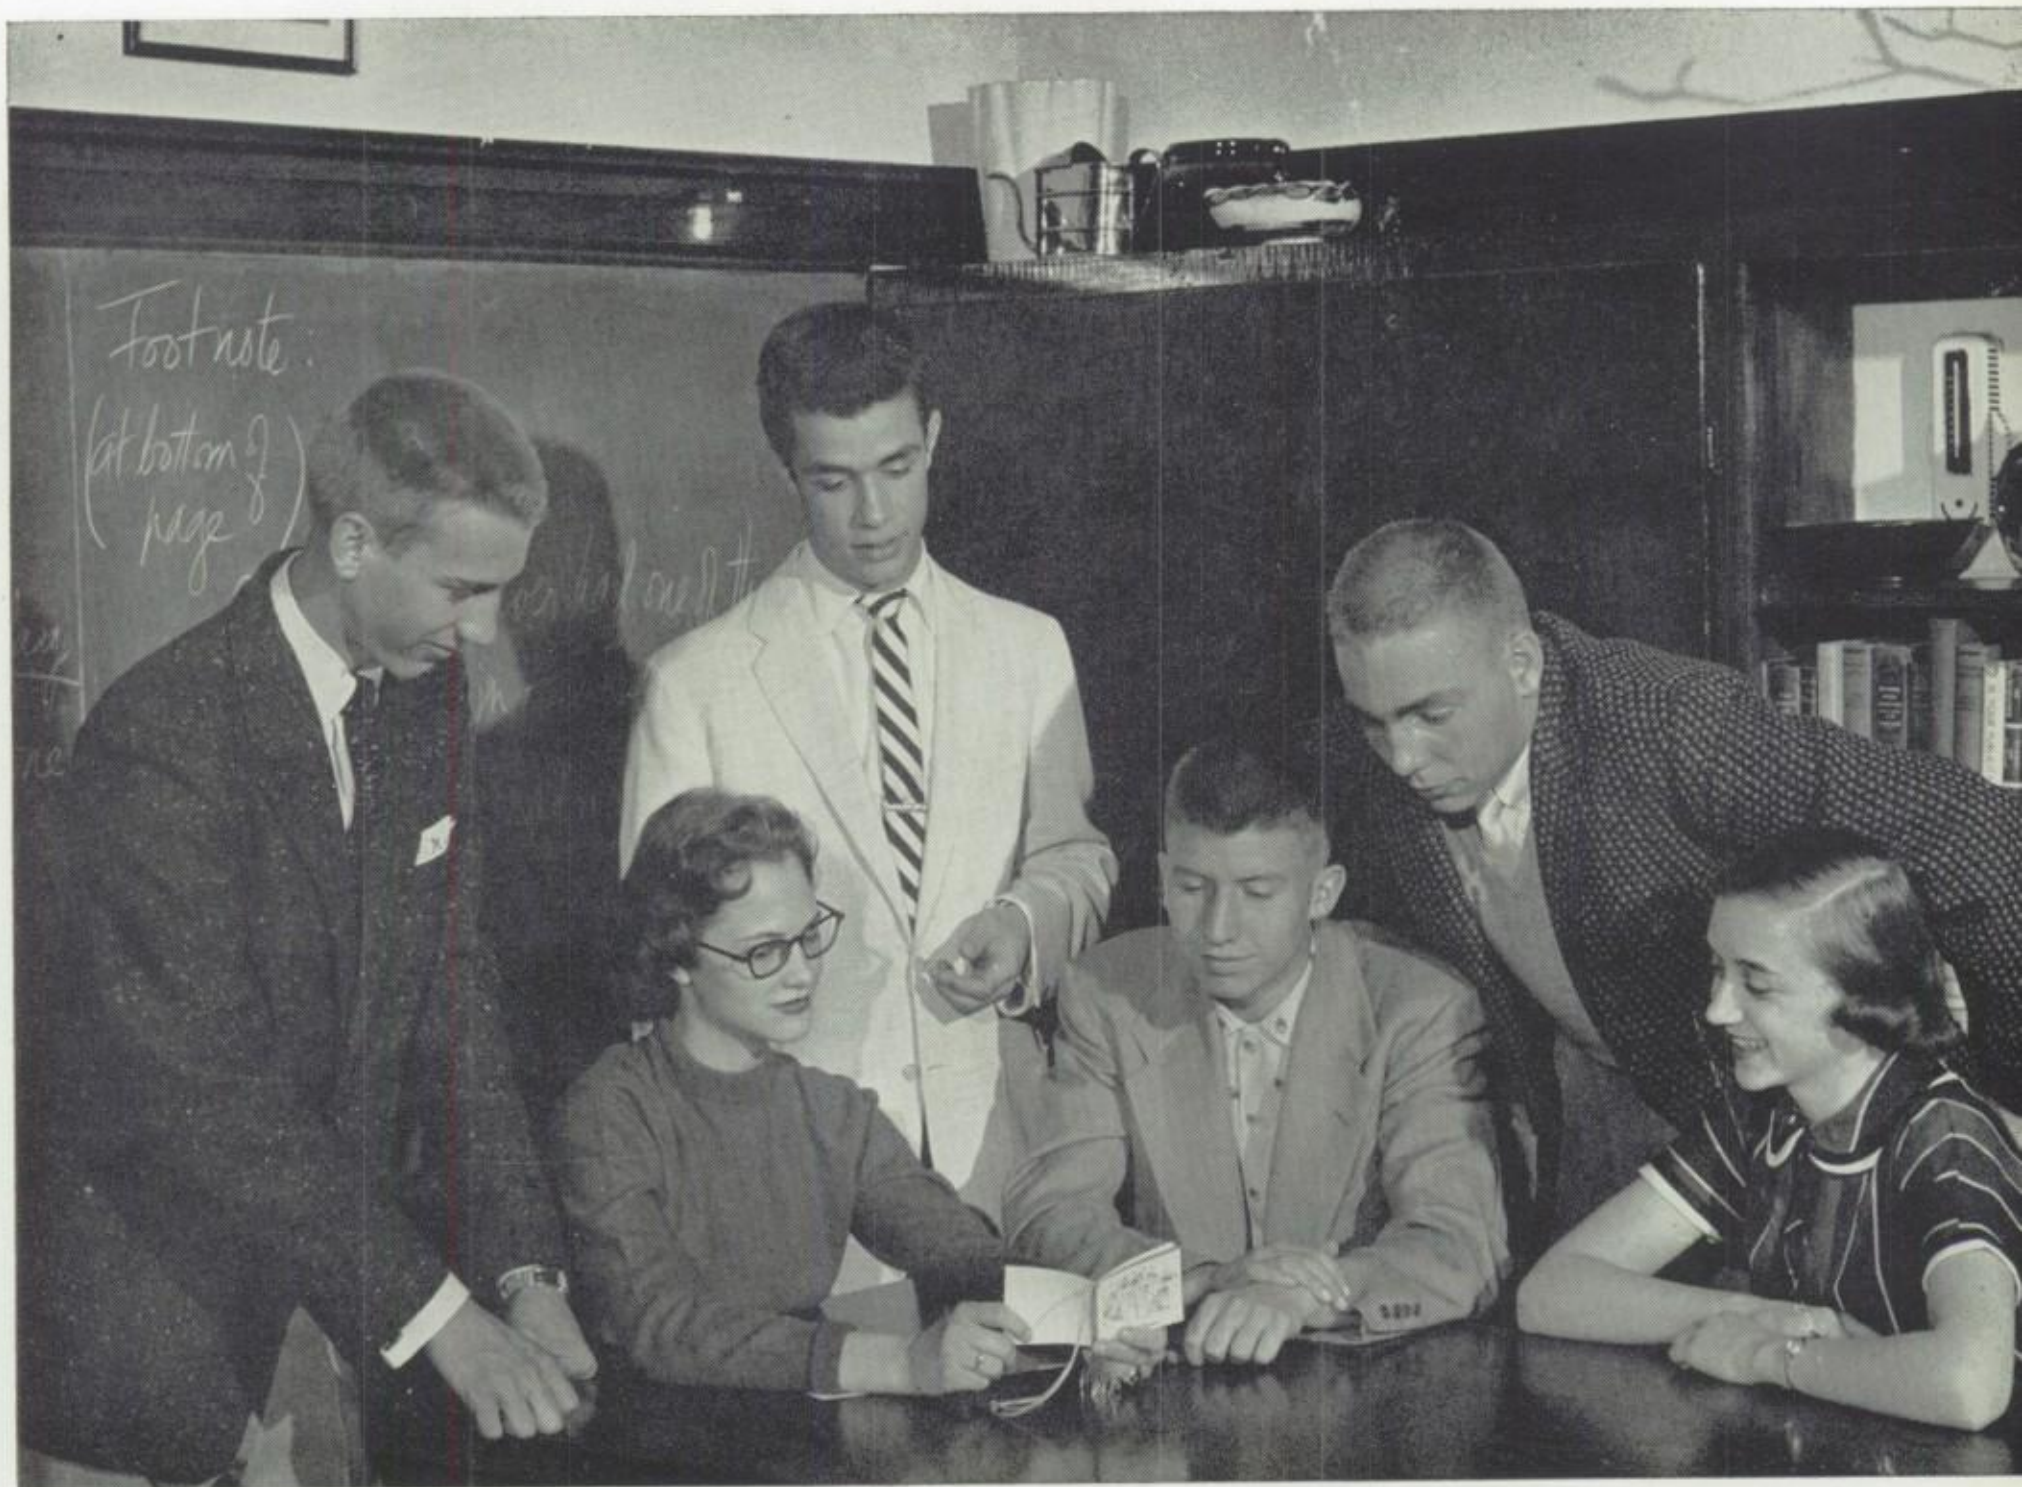

After a busy Christmas vacation was over, we planned a class party, which was held on January 7, in the high school gym. It seemed that we were in a real TV studio, since all the decorations and program were planned around

Junior class sponsors, Mr. Addison and Mrs. Swhier.

this theme. TV cameras filmed the whole party. We danced and ate during the entertainment which consisted of quiz programs patterned after actual TV shows.

In March, we were busy going to all the basketball games. We worried about season ticket bookbacks; girls searched high and low for E-sweaters.

In April, we worked hard on our Junior Class Play, MEET A BODY, which was presented April 21, in the auditorium, under the direction of Mr. Charles Hampton.

On the same day a special Junior Pennant was pub-

lished by Marcia Kendall, and a staff of junior journalists.

We went all out to make the Junior-Senior Prom the best ever. On the day of the prom, May 19, we were at the North Side Gym early in the morning, decorating in keeping with our theme which was SEA OF DREAMS. To carry out our theme the queen's throne was a large clam shell. We were rewarded for all our hard work by a perfect evening. We felt that our prom was a final tribute to the departing seniors.

We've heard it said, "The junior year is the most fun of all," and we agree wholeheartedly.

HISTORY OF THE CLASS OF 1958

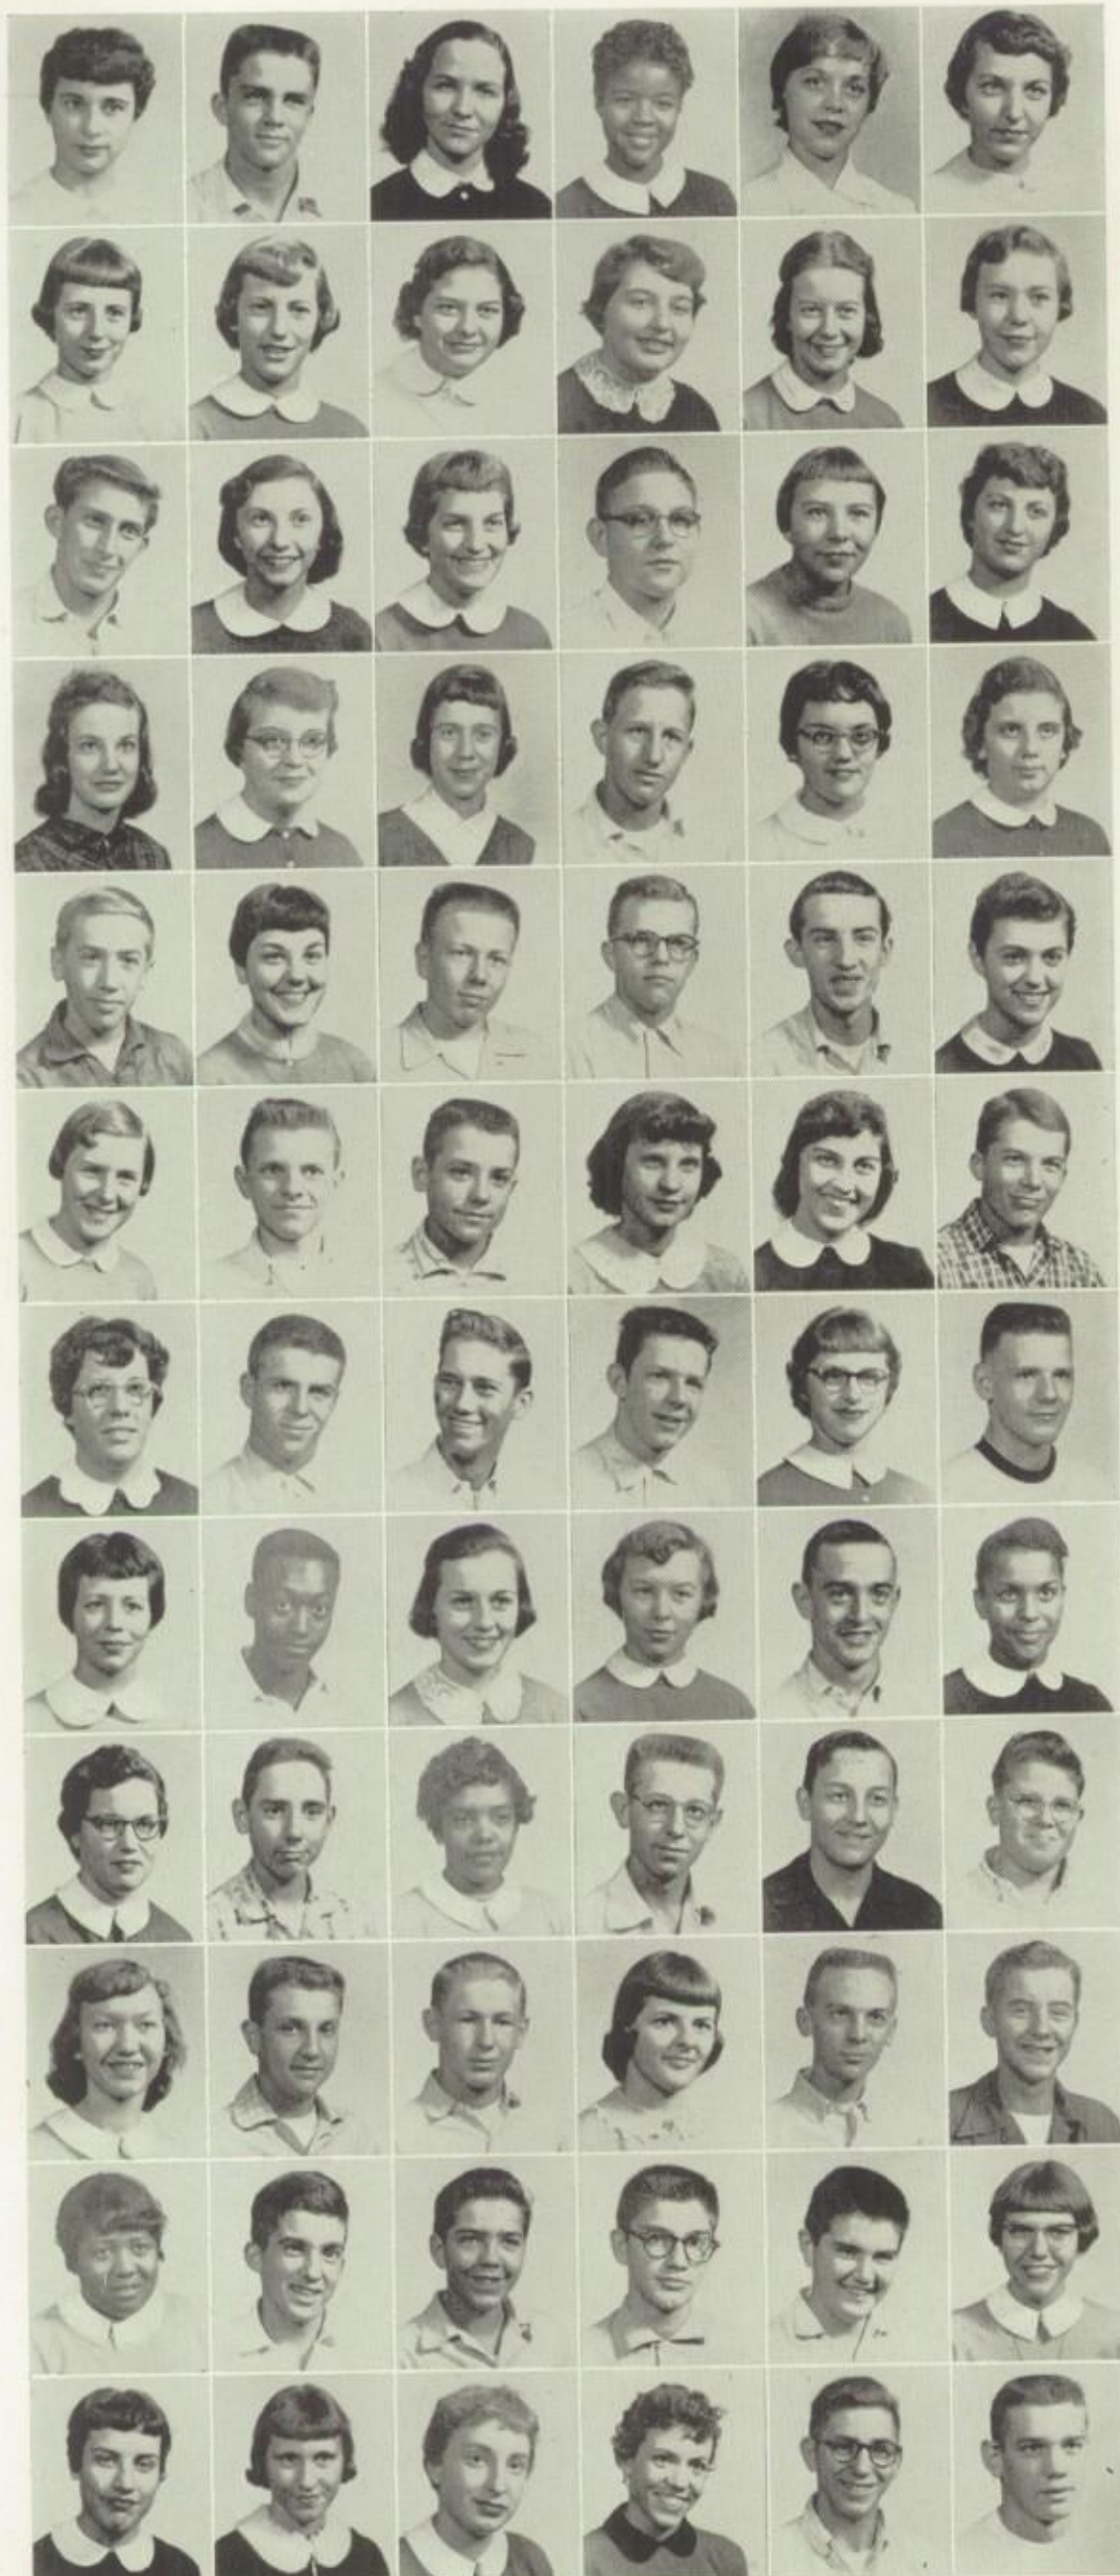

We entered EHS in September, feeling confused and excited. However, we settled down after a few weeks and began a year of work and play. We began attending games, dances, and other school functions. We also joined clubs, according to our interests, and attended meetings.

Soon we organized, choosing class officers and sponsors. We elected these people to guide us: president, George Fortino; vice-president, Gary Everts; secretary, Susan Teusher; treasurer, Dave Keller; girls' social chairman, Reverie Rogers, and boys' social chairman, Ed Borneman. Homeroom chairmen, Miss Amsbaugh and Mr. Cooper, were our sponsors.

Soon we began to feel a part of the school activities, accepted as full-fledged members of the student body.

The months went by quickly. We kept busy with school work, games, and activities. In April, we held a class party, planned by our social chairmen, which was a lot of fun and a huge success. When we ordered our class rings in the spring, we felt that we really belonged at Elkhart High School.

As our sophomore year came to a close, we looked forward to the next year, hoping that it would be as memorable and enjoyable as our first year at EHS.

Doorways to citizenship . . .

The doorways to tomorrow lead us to places in Elkhart as workers and as consumers. From our contacts with our advertisers, we learned many practical things which we need to know when we become citizens of Elkhart. These businessmen of our community not only gave us their financial support but also much advice, cooperation, and help.

"Students today, citizens tomorrow,"
says Mr. Jones, Credit Bureau.

200 consecutive weeks at the Aragon. More than 2,100 network radio shows over ABC... and now their regional TV show for California Dodge Dealers goes coast to coast for Dodge.

How do they do it?

Take five of the nation's top sax men — all playing Buescher — put them with the man (also a Buescher artist) who combines sparkling originality with solid musicianship... and you've got the latest chapter in one of the greatest dance band success stories of all time.

To a man, the Welk sax section gives Buescher credit for being *the best*. Tone, playing ease, endurance — everything these top players look for, they find in Buescher.

You can find these things, too — in a Buescher — at your dealers. Try one for a thrilling musical experience.

ON GIVING!

*"You give but little when you give of
your possessions. It is when you give
of yourself that you truly give."*

KAHLIL GIBRAN, (1883-1931)

To The Graduating Class:

Congratulations! You're one step further along on your career. Your career may take you to far distant places, it may locate you right here in Elkhart. But wherever you go, whatever you do, you will find, as your parents, your teachers, your ministers have found, that the more of your SELF you put into your work, or your service to your community, your church or your family, the more personal satisfaction you will realize. And un-noticed by you, your own personality will broaden, your own welfare will improve.

The publishing, broadcasting and television business is devoted to service to others. The business of gathering, reporting, editorializing on the news of the day is a large responsibility. And it is only through constant effort to do a better job that the Truth Publishing Company can continue to merit the respect and confidence of its readers, listeners and viewers.

The Truth Publishing Company likewise knows that it is "when you give of yourself that you truly give."

Best wishes to every member of the Class of '56!

It costs nothing in Elkhart to learn to swim at the High Dive Swimming Pool. Not even for dressing rooms, wire baskets, checked at main counter.

Swimming and diving is the best kind of exercise and pay dividends in health and happiness.

If you know how to swim, you will not be afraid of the water and if you go often you will soon learn as your body is only a few pounds heavier than water.

You will never forget how to swim after you once learn.

What Richardson's
Modern Plant Facilities

Mean to the FUTURE HOME MAKER

Richardson's large, modern plant facilities assure a better built mobile home. One that is backed by a company with years of experience and produced in a plant that is one of the largest in the industry. From its modest beginning ten years ago, Richardson has kept pace with the growing community. Today, Richardson covers an entire thirteen acres and includes such modern features as an experimental and research department where homes of tomorrow will be developed for future homemakers.
